

There's a lot of home which no boy has been called in Japan, nonetheless. I don't think it's fair.

I've subleased an additional tenant land, but the plan seems failed. I'm sorry.

Down Chang Kai-Shek in a half month, and return before the harvest close in octover, big brother !

Are you nuts ? It'll take a half month to ship to Shanghai.

Don't feel uneasy about us.
The village will excuse us from
the irrigation maintenance.
It'll be OK.

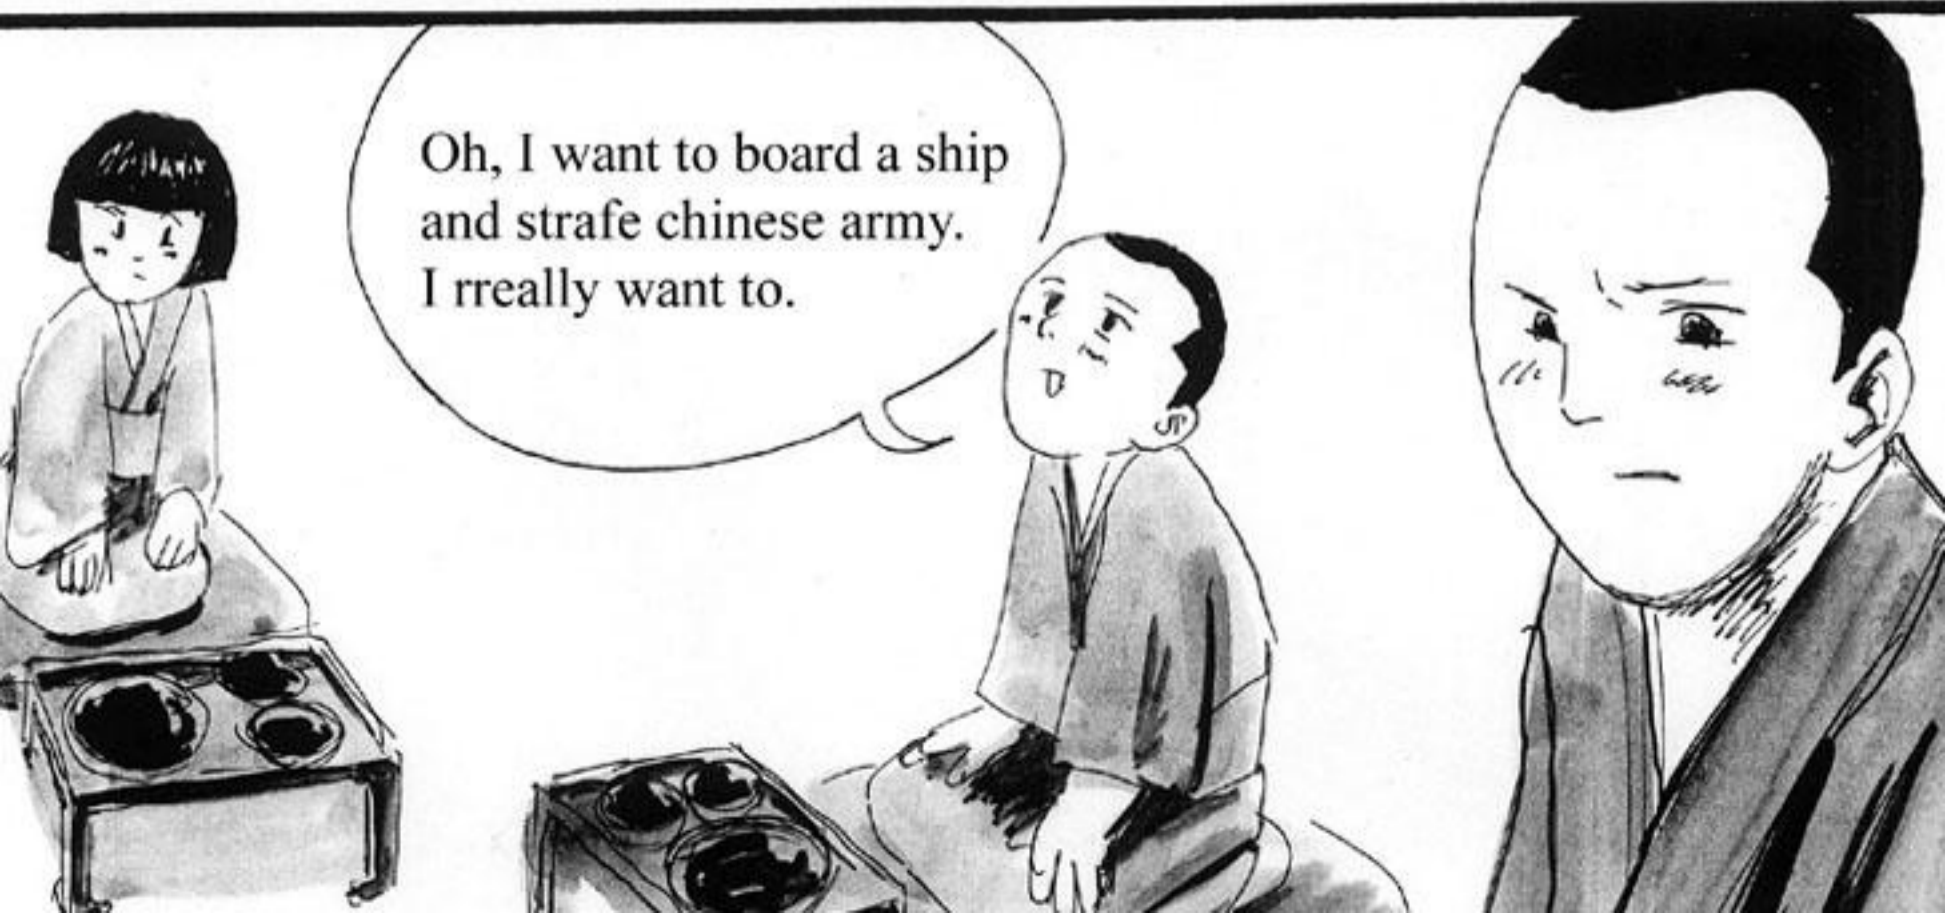

Never drink a drop of chinese
water without boiling.
Don't forget it.

.....How could I
subsided my ire,
Chiang Kai-Shek ?

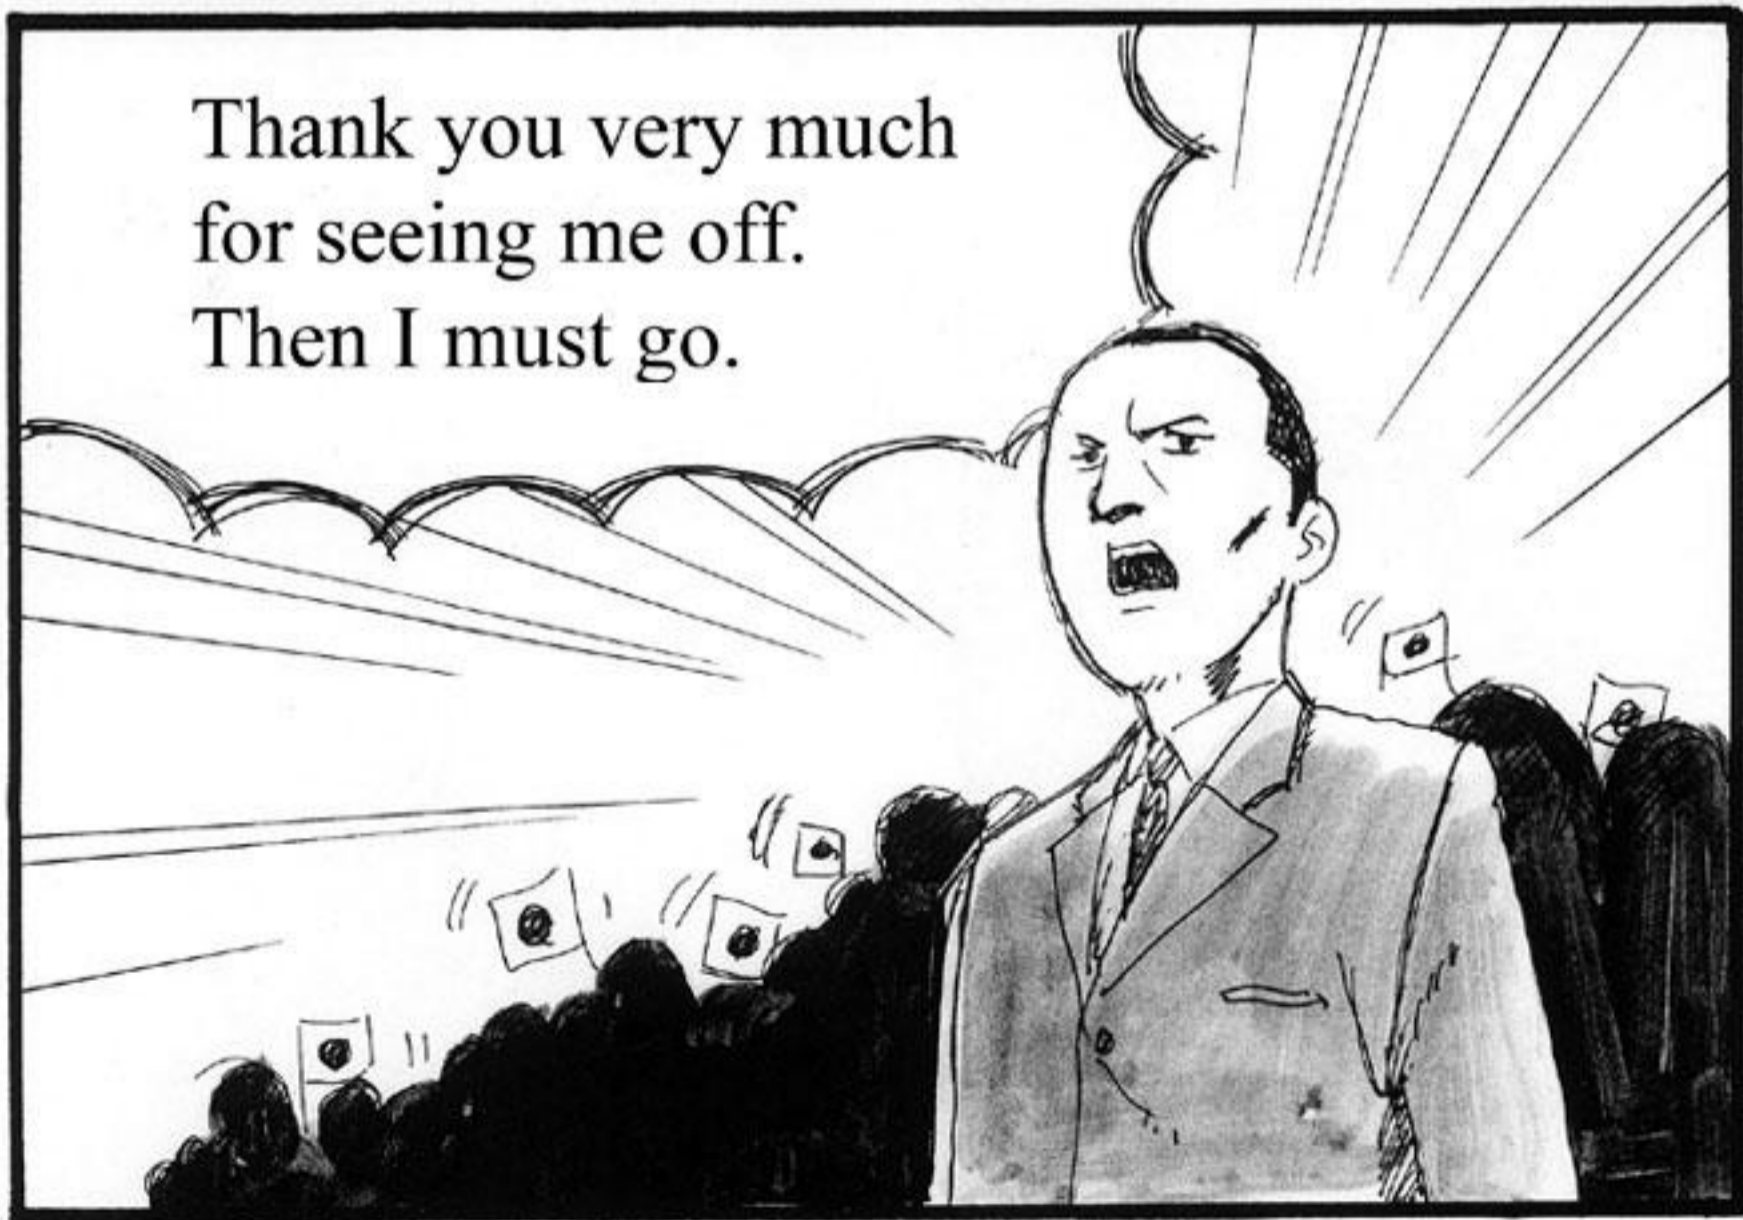

Oh, I want to board a ship
and strafe chinese army.
I really want to.

Thank you very much
for seeing me off.
Then I must go.

Hurrah !

Long live !

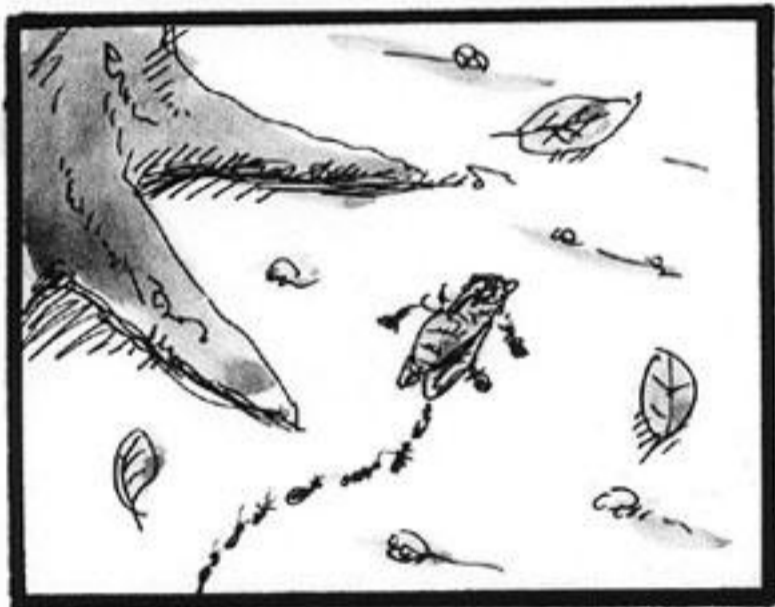

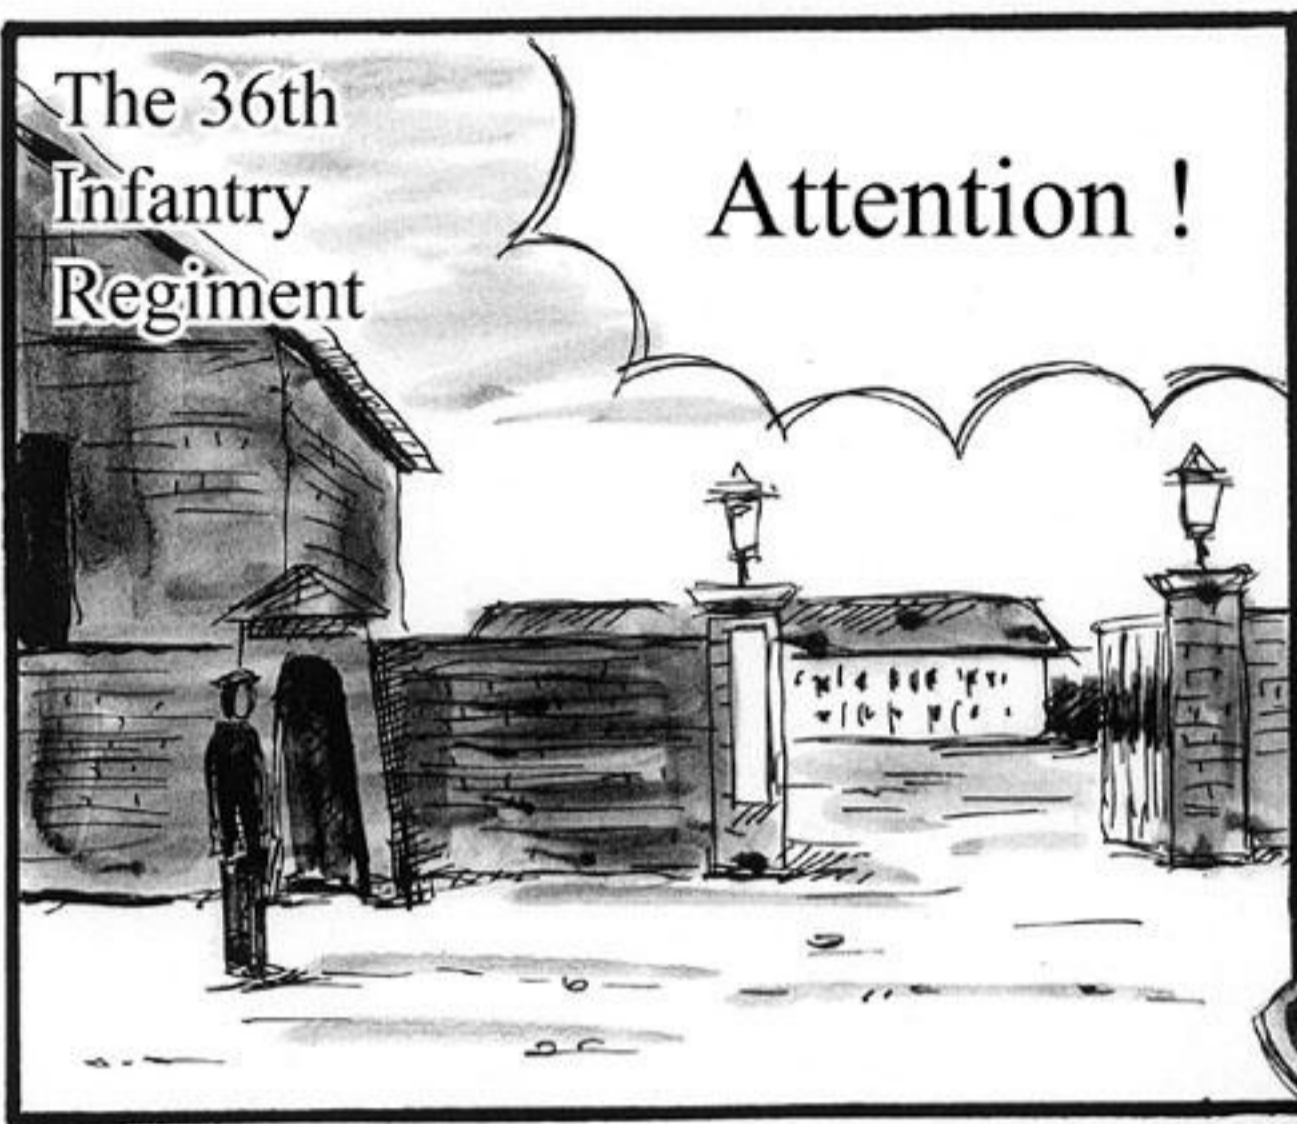

Banzai !

Even the score !
My son was killed
by shelling.

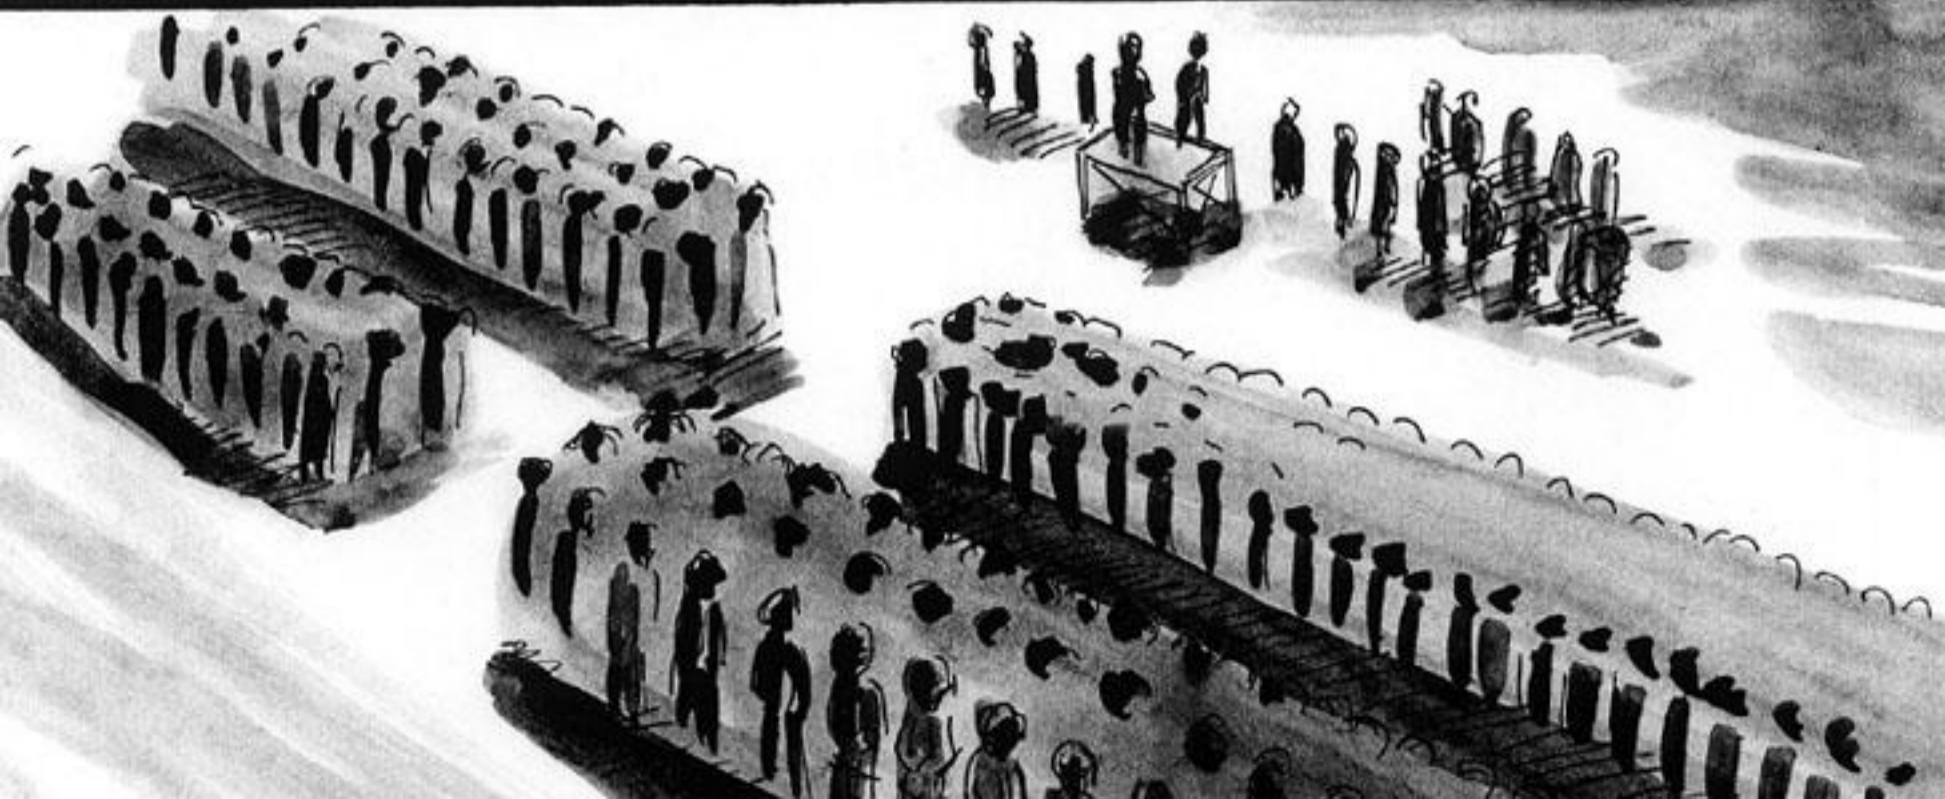

The 36th
Infantry
Regiment

Attention !

Parade
rest !

Draftees, you all know the critical situation of Shanghai settlement. We have to redeem our people. And I know you have untempered courage that overcome the blatant provocation fostered by Chiang Kai-Shek.

I adamantly accept your lives now as the commander of your regiment !

As the colonel of the most remote rural regiment, he surely has a real motivation ?

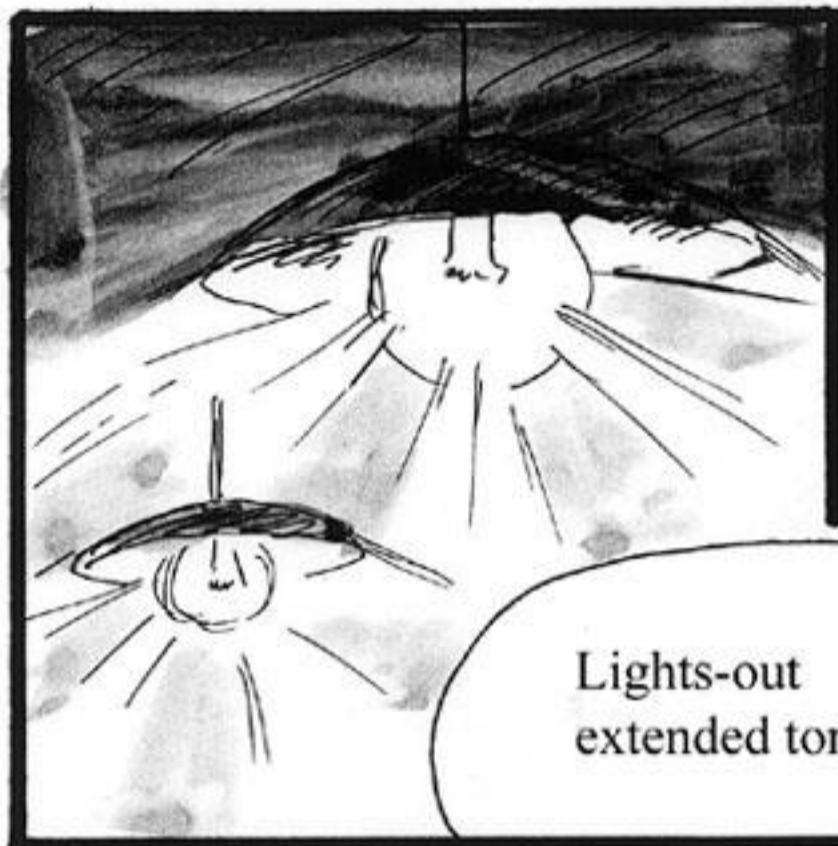

This war would part his terminal station. To attain Lieutenant General, or to attain Major General and retirement.

Hey, stop whispering, you privates !

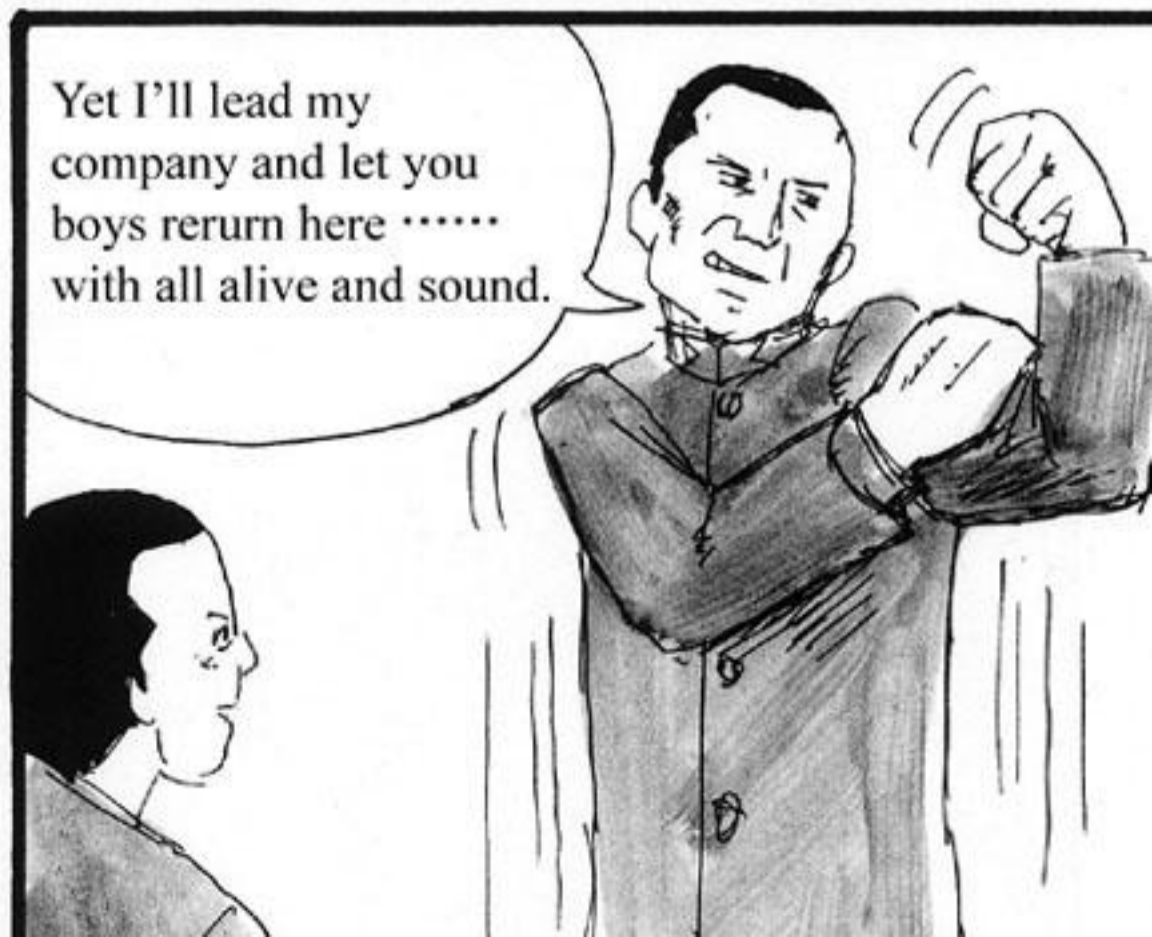

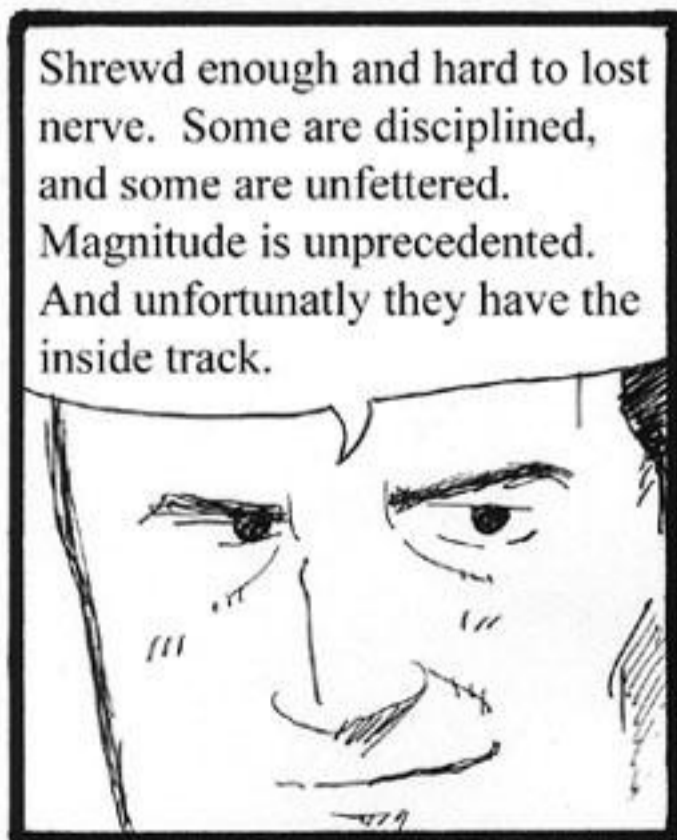

Lights-out
extended tonight !

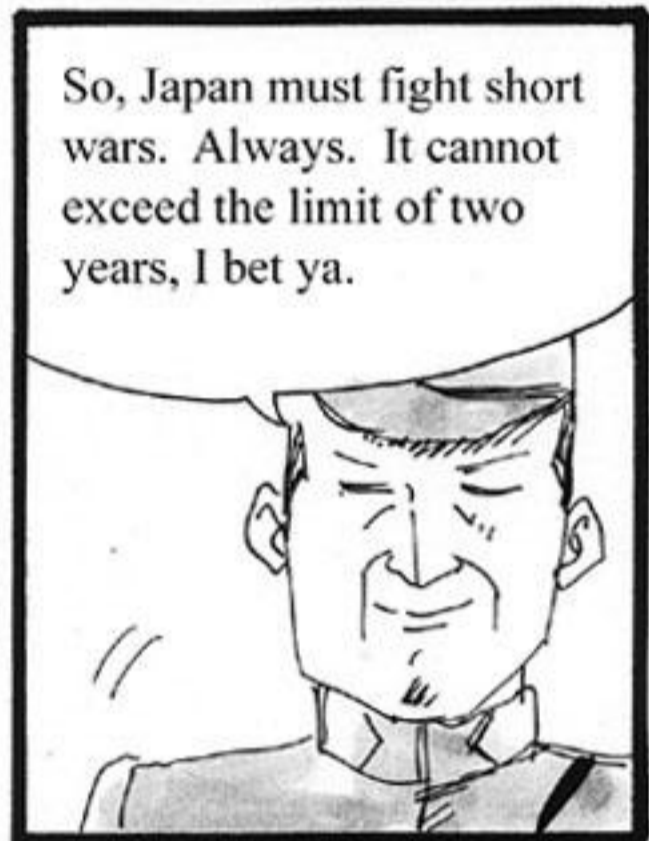

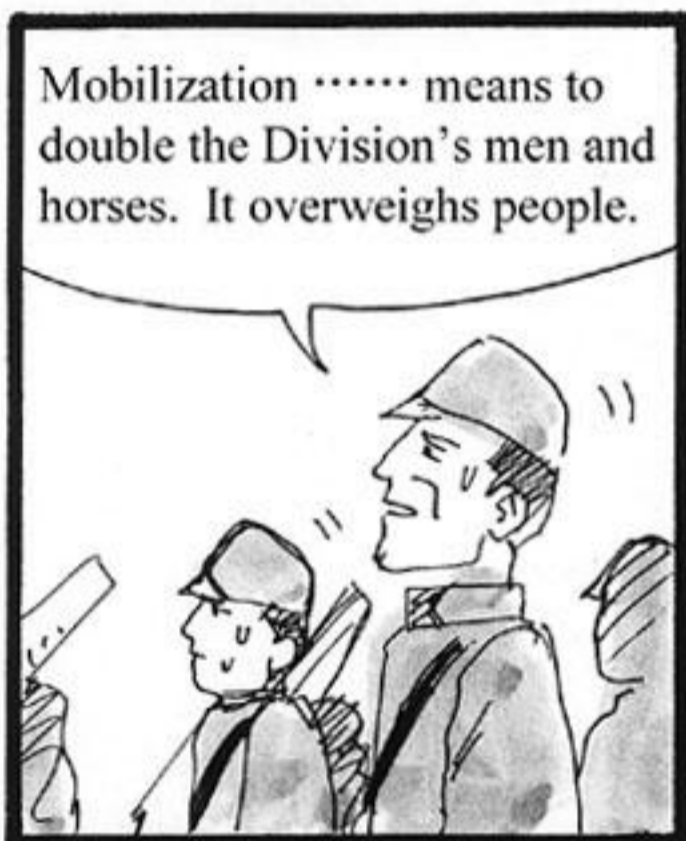

Company orderlies,
be present at
Headquater of
Battalion, now.

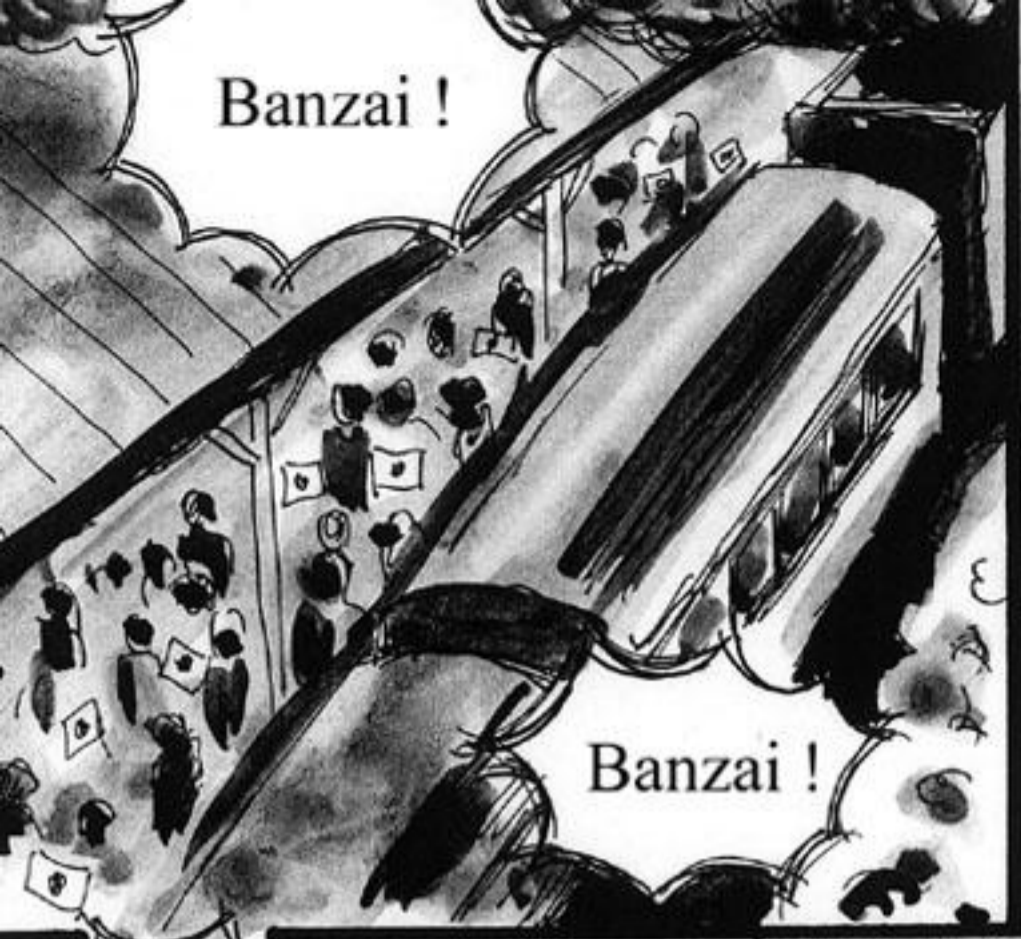

.....Apprehended ?

Banzai !

Banzai !

Banzai !
