

..... What a reek !
It makes me puke !

Soon, we gonna make a
camp ! Take care of your
foot, boys !

Aren't you the staff of the Army ?
No plans for POWs ? Don't shift
your work on Division
Headquarters !

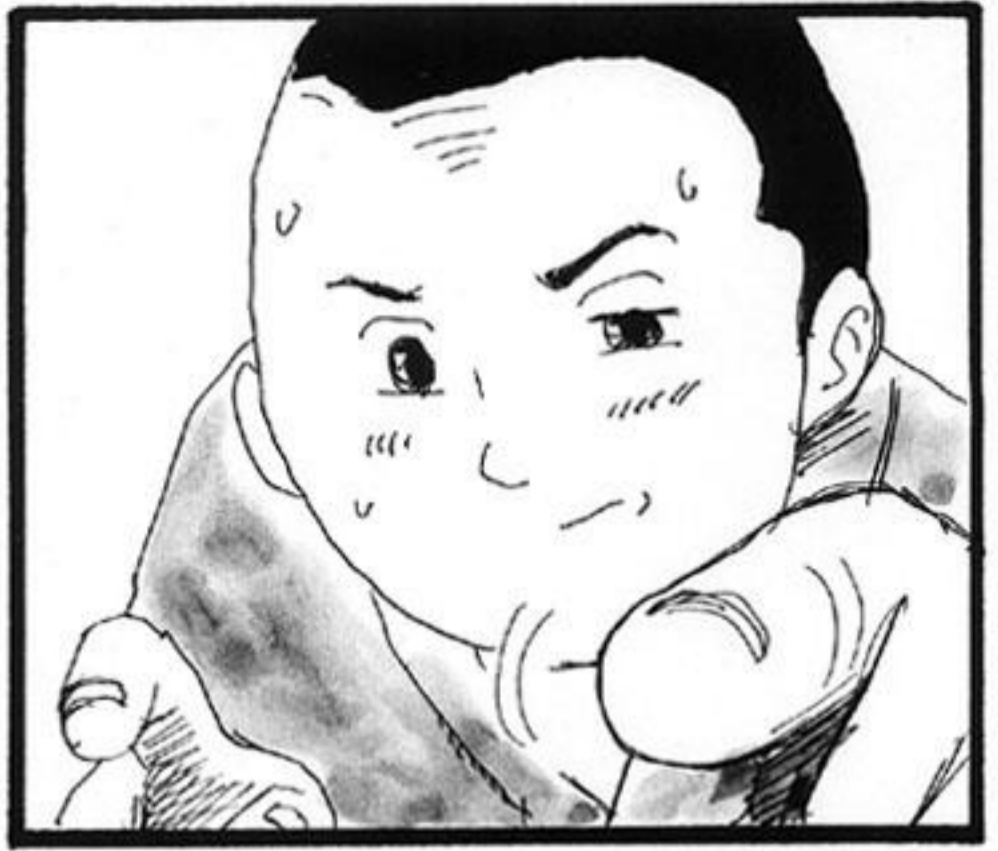

I hope I won't sleep with Chinese
POWs tonight

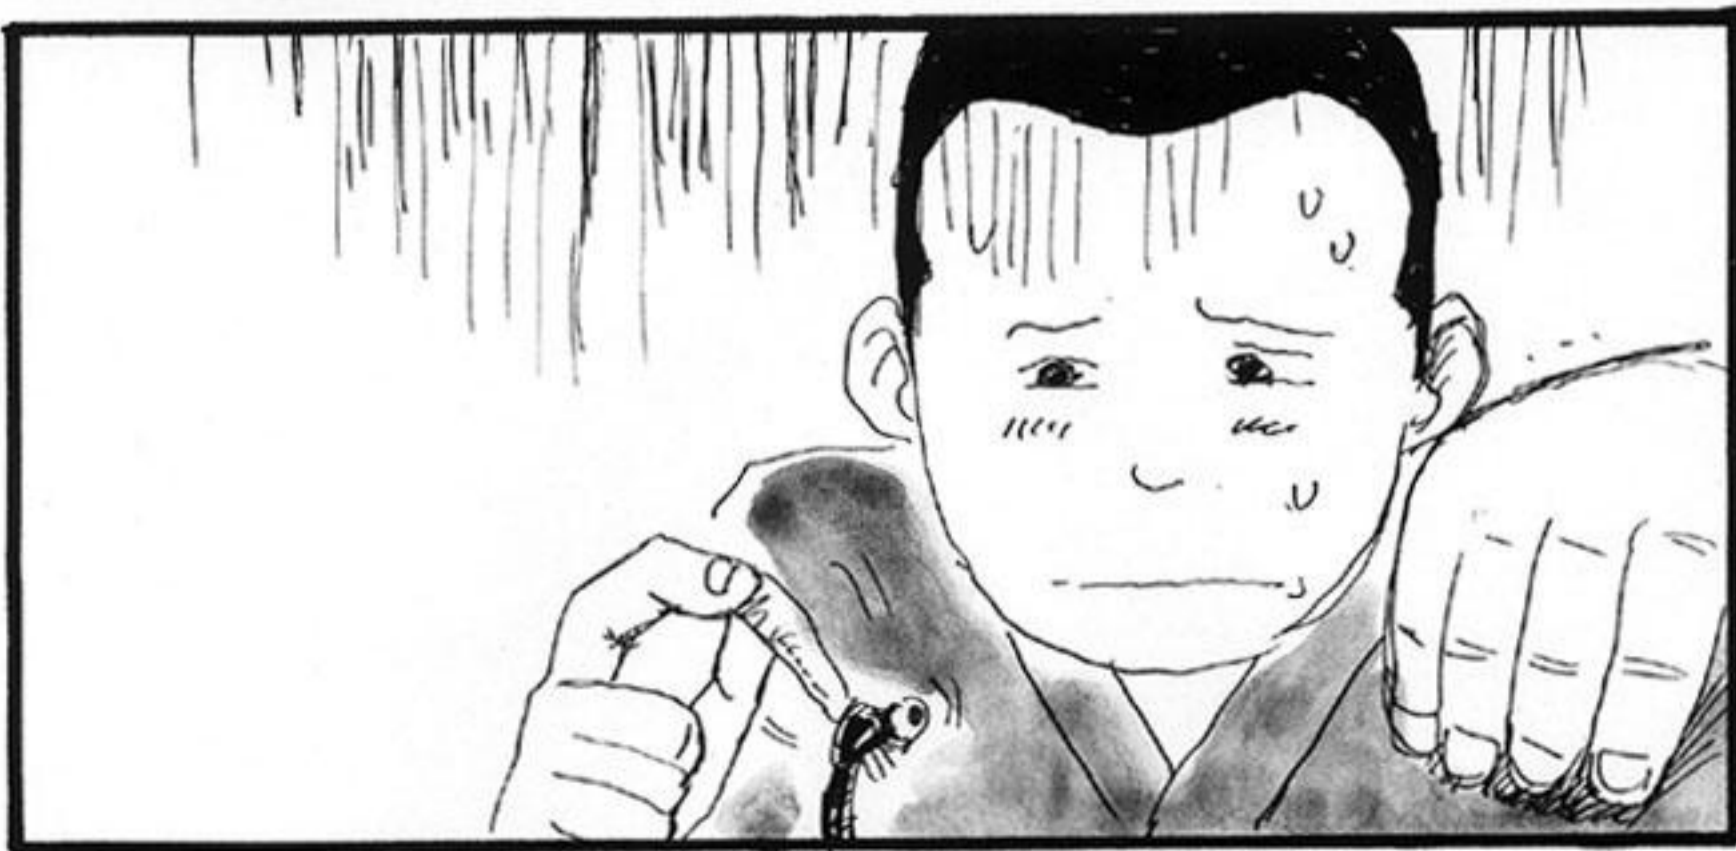

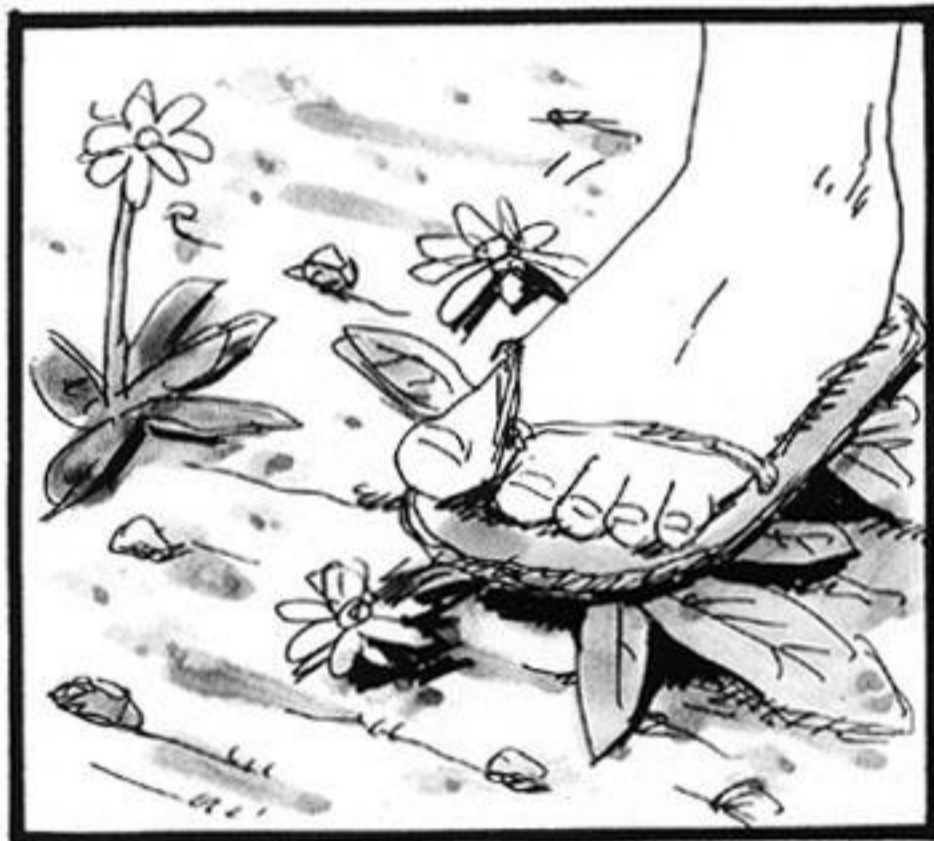

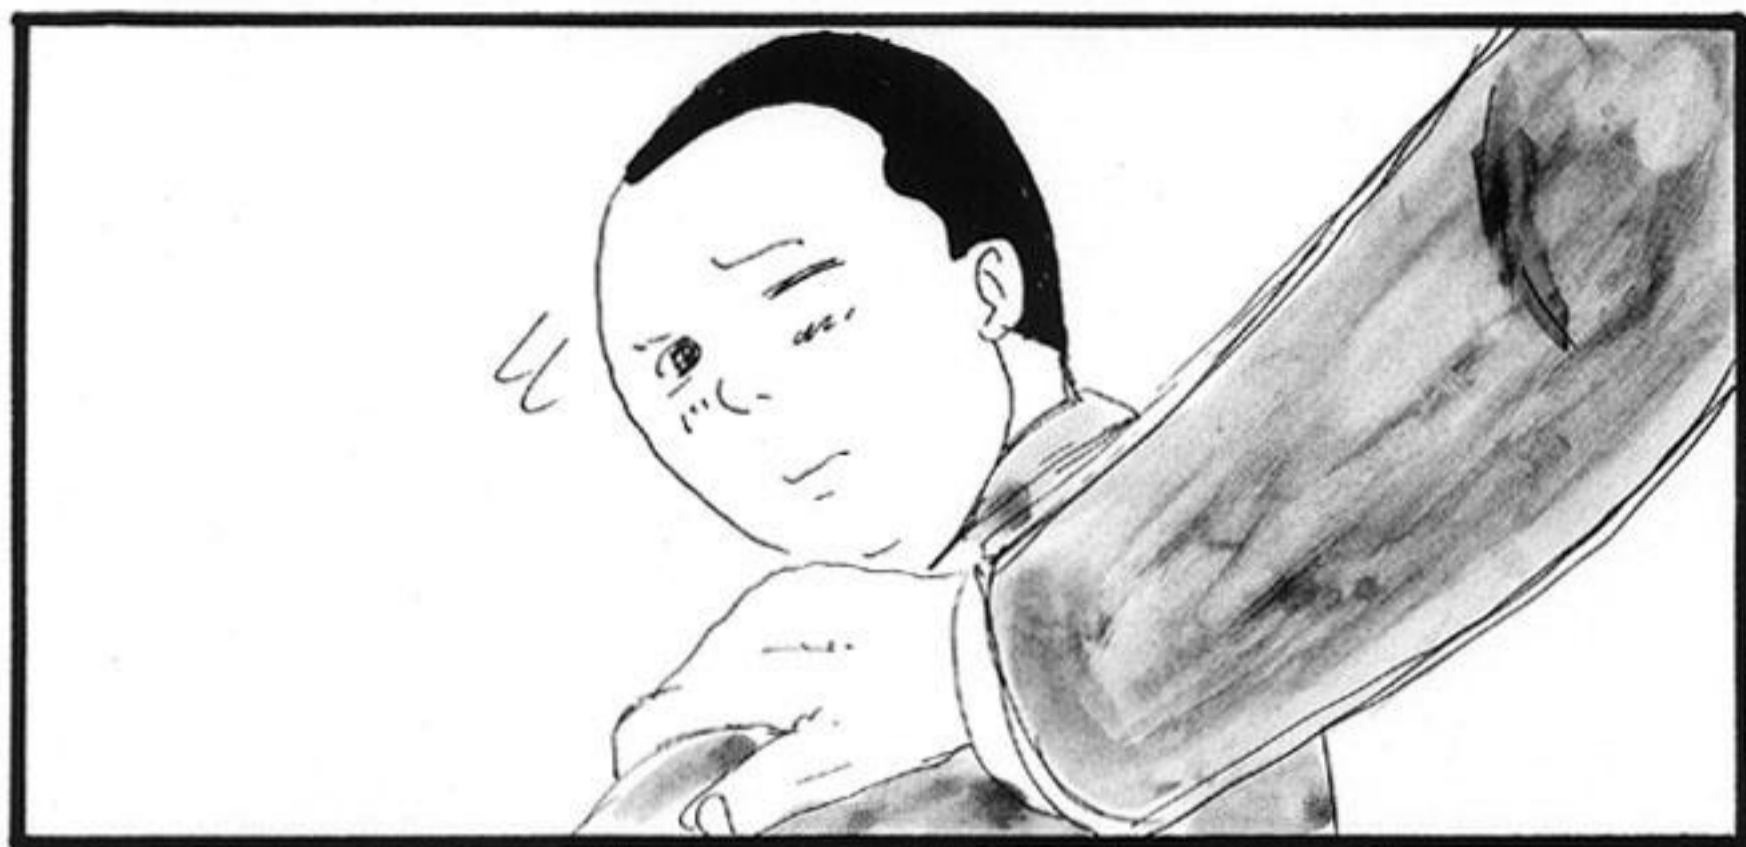

I will do nothing but to fulfill
my duty. I also believe there
must be rewards and
punishments in this world.

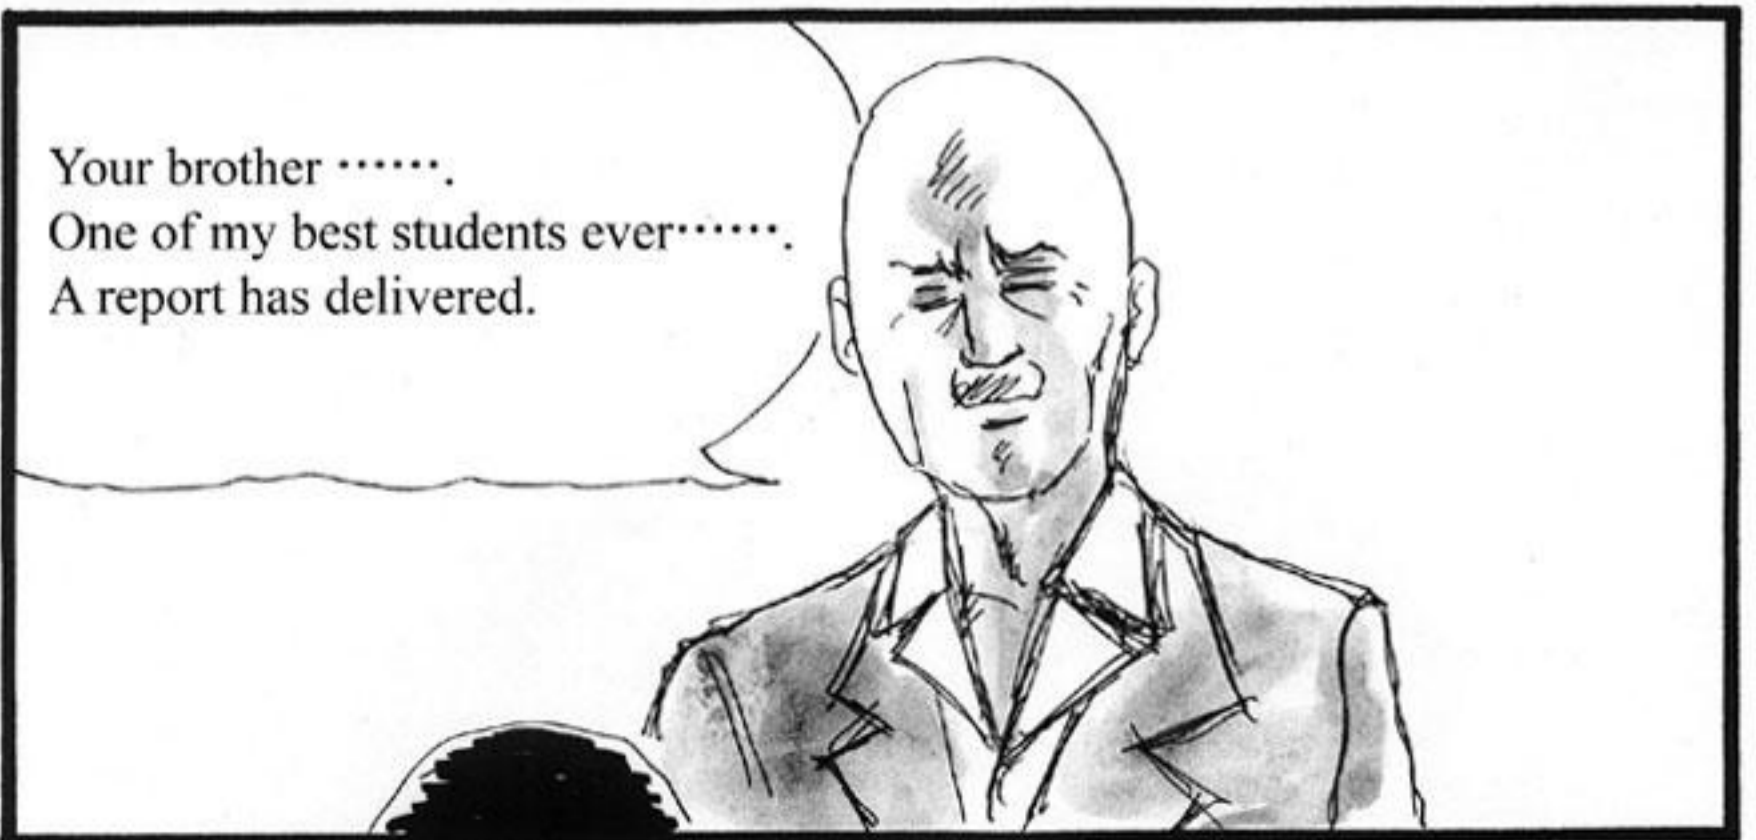

He was killed in action ?
