

Punitive Blow

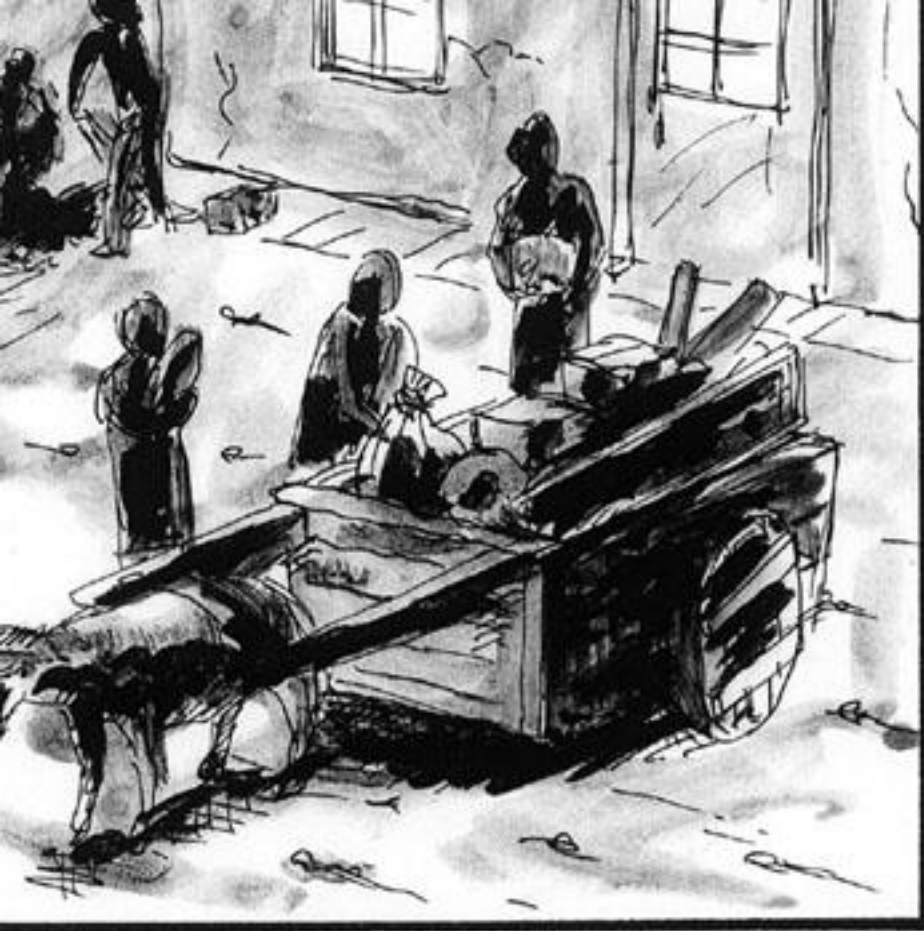

Chiang's army has collapsed
in front of Shanghai !
Japanese army threw them
into disorder !

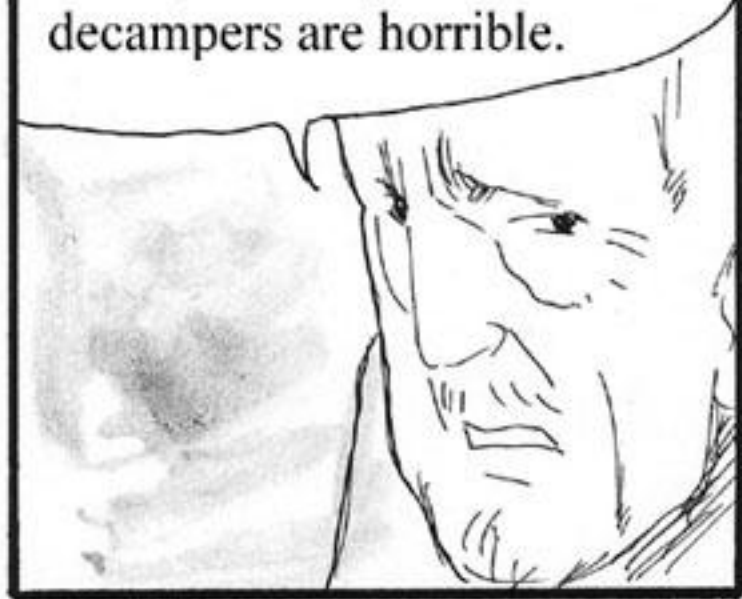

Hasten to
pack
properties !

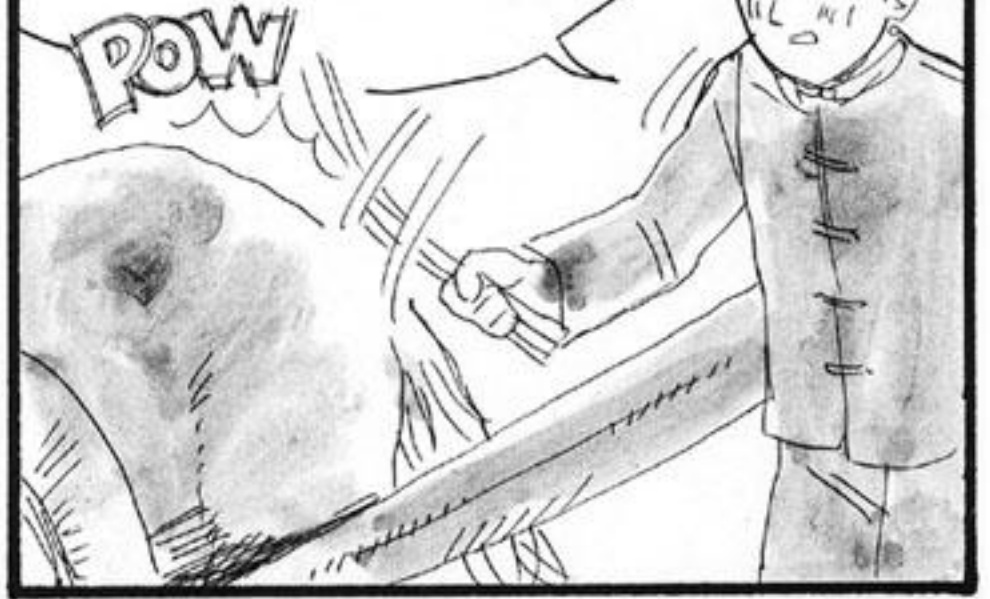

Bad escapees
will come soon !
Almost to the
next hamlet, I'm
afraid !

It is daybreak. Jettison other baggages. More than any aliens, the surly chinese decampers are horrible.

That's why I said let's not to waste our time ! Here we go to the mountain.

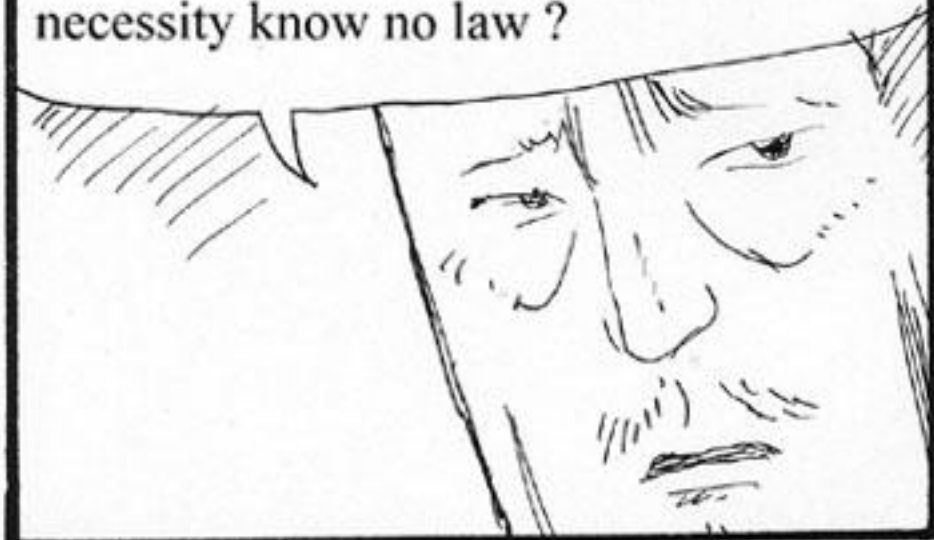

Gun reports come nearer.

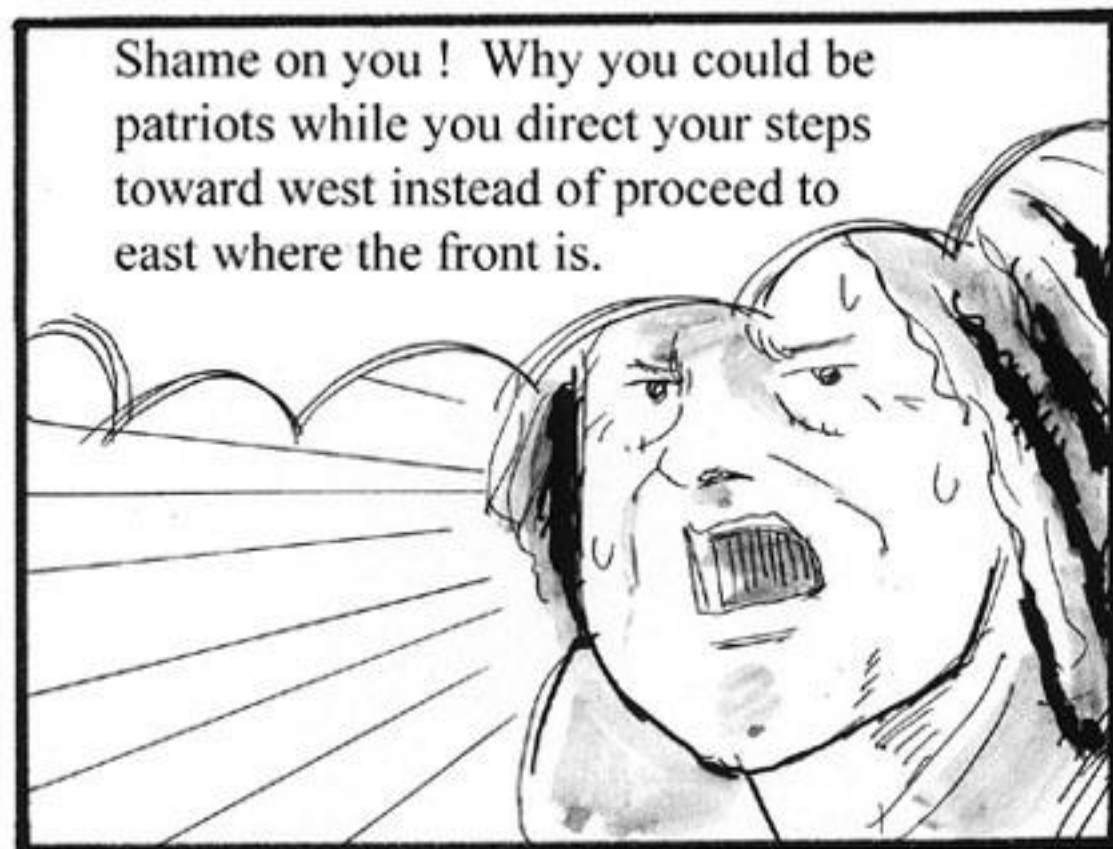

Seconded by novice urban students, Fuhrer Chiang implemented his policy along with his intrinsic motivation. But does terrorism realize an order? Does necessity know no law?

Stir, traitors! I'm gonna let the anyone who put an allegation about Fuhrer Chiang have it!

Your drawback is such off-key tune !

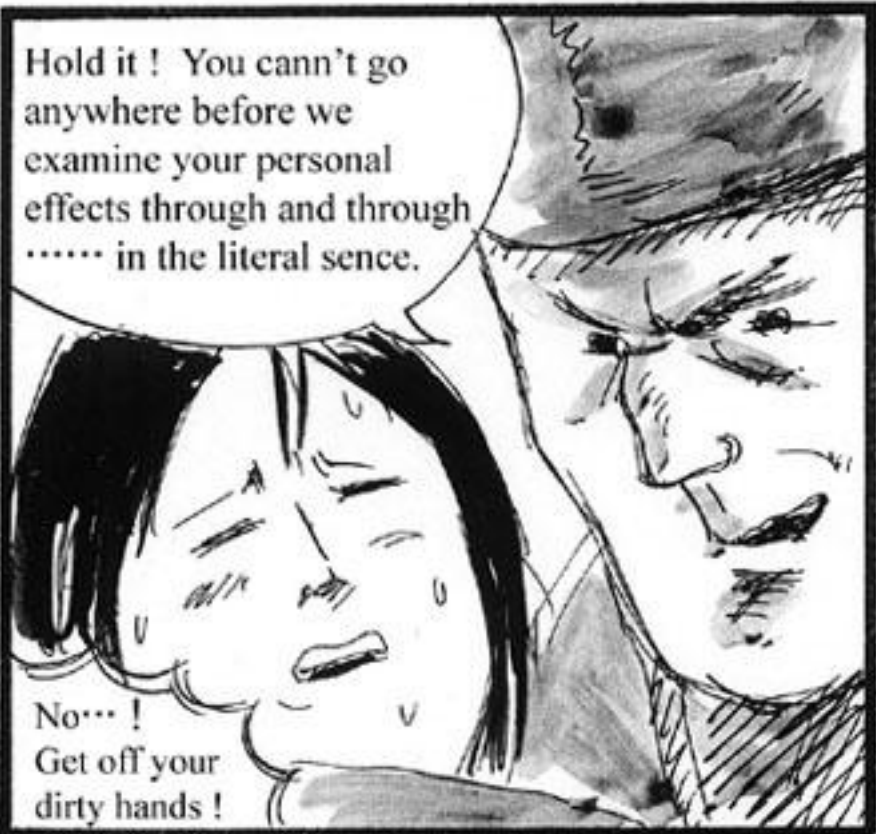

Where the golds and silvers ? Give us any plainclothes !

KLUNK

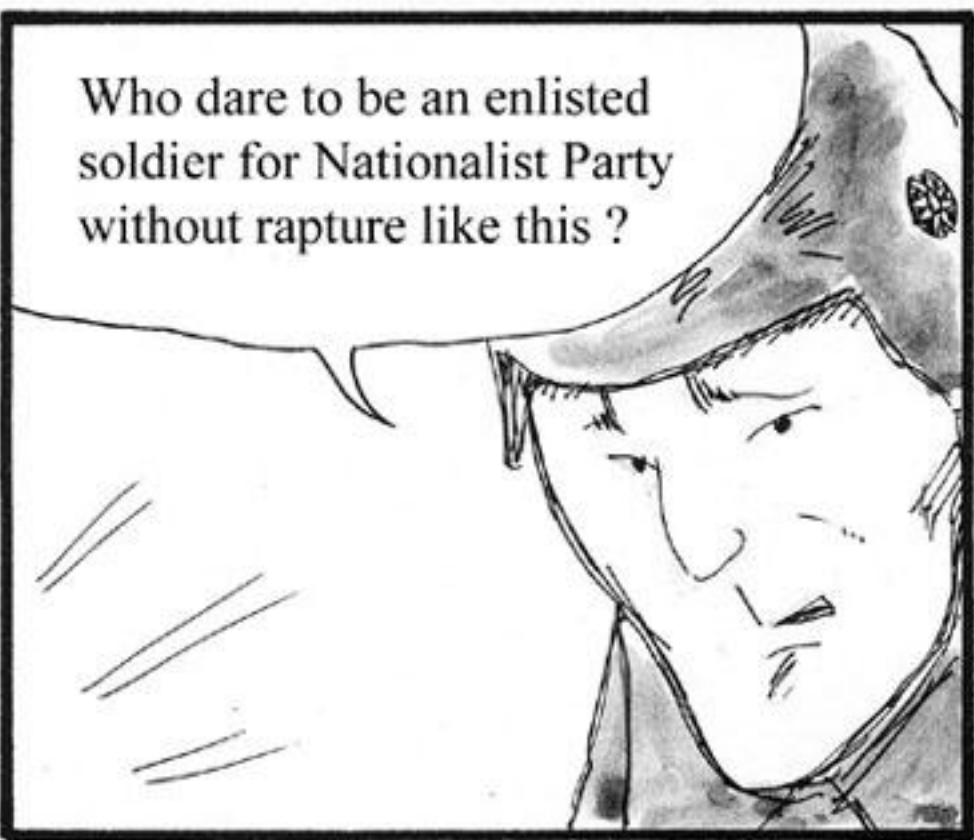

WAH-H-H!

Hold it ! You can't go anywhere before we examine your personal effects through and through in the literal sence.

No... !
Get off your dirty hands !

Who dare to be an enlisted soldier for Nationalist Party without rapture like this ?

If you detest an oral authority, my volatile sword will find some soft sheaths.

Ouch !
Have your
short shift,
brat !

Leave us
alone !

Oh? You must be a multilingual Korean?

No, negative, sir. I'm a pure manchurian. As poor as a church mouse. They forced me to join the rotten army belongs to the Chiang's Noationalist Party.

Sir, he tells lies. Rascals of the stamp impersonate Japanese soldiers and shop around to prey on law-abiding chinese. We are in a great hurry besides. Now let me deal with this, please, sir.

Woe is me! You won't be distressed with me, a good translator.

You are a transport corps, aren't you? I can guide you to your final destination, sir!
