

Chinks seem to have no bayonet at all.

No ammunition too.

It's useless without ammo.

The speculated rout was clean miss, and we've lost our Regiment. We hold the impedimenta on a river barge mooring over there.

The 10th Army is racing to Nanking with no supplies. You are the lucky sergeant 1st class, sir. I may conduct you painstakingly wherever you wish, sir.

Via this creek ?

No, you can't, sir. I'll fetch a chinese cart or things like that. Would three or four of you come with me, sir ? And it will be very helpful if you let me wear a Japanese combat jacket, sir.

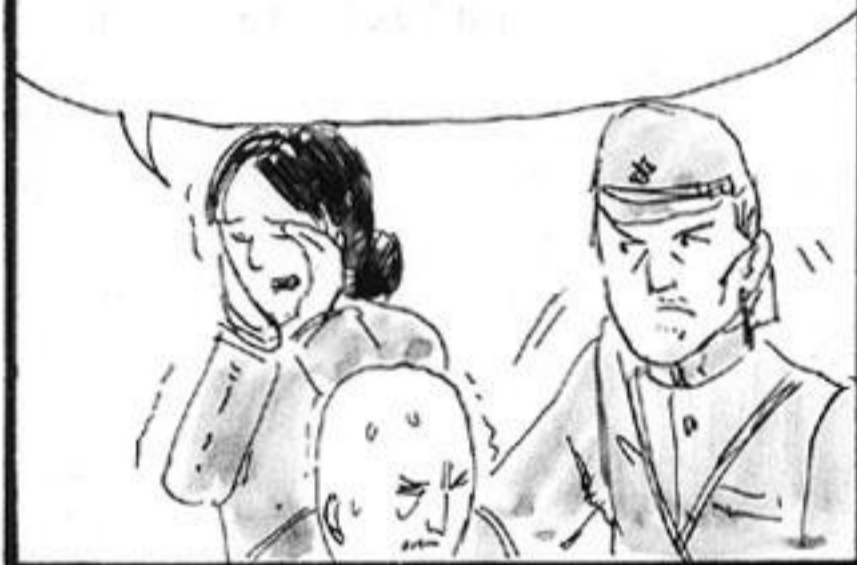

All right. Use these Chiang's money, if compensations are required.

This time we have been anticipated too optimistic.

Captain, beware of the Korean soldier.

I'm just a corporal. I hope you will keep yourselves well.

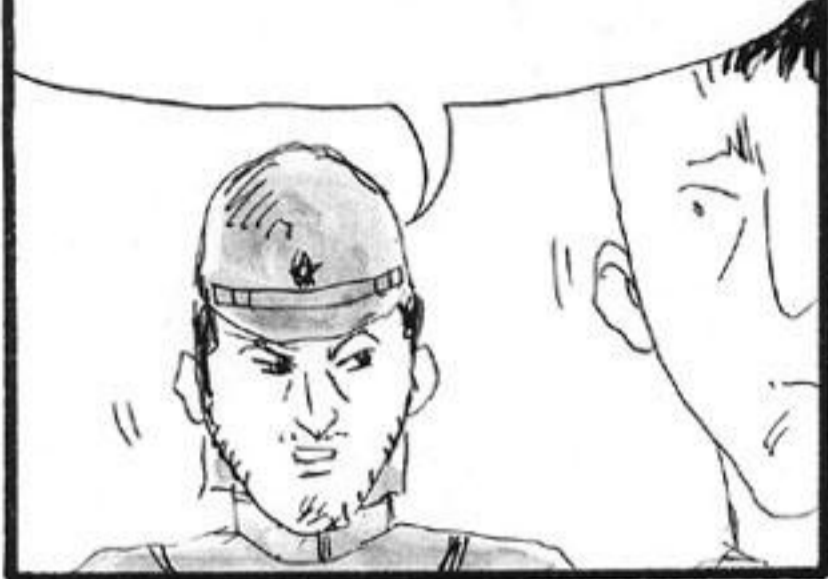

Let's go down there before other stray scoundres will come.

There's no innocent chinese staying along the path of march or path of retreat.

You are quite well aware, sir.

Hey, can you really find a cart to load such amount of materials ?

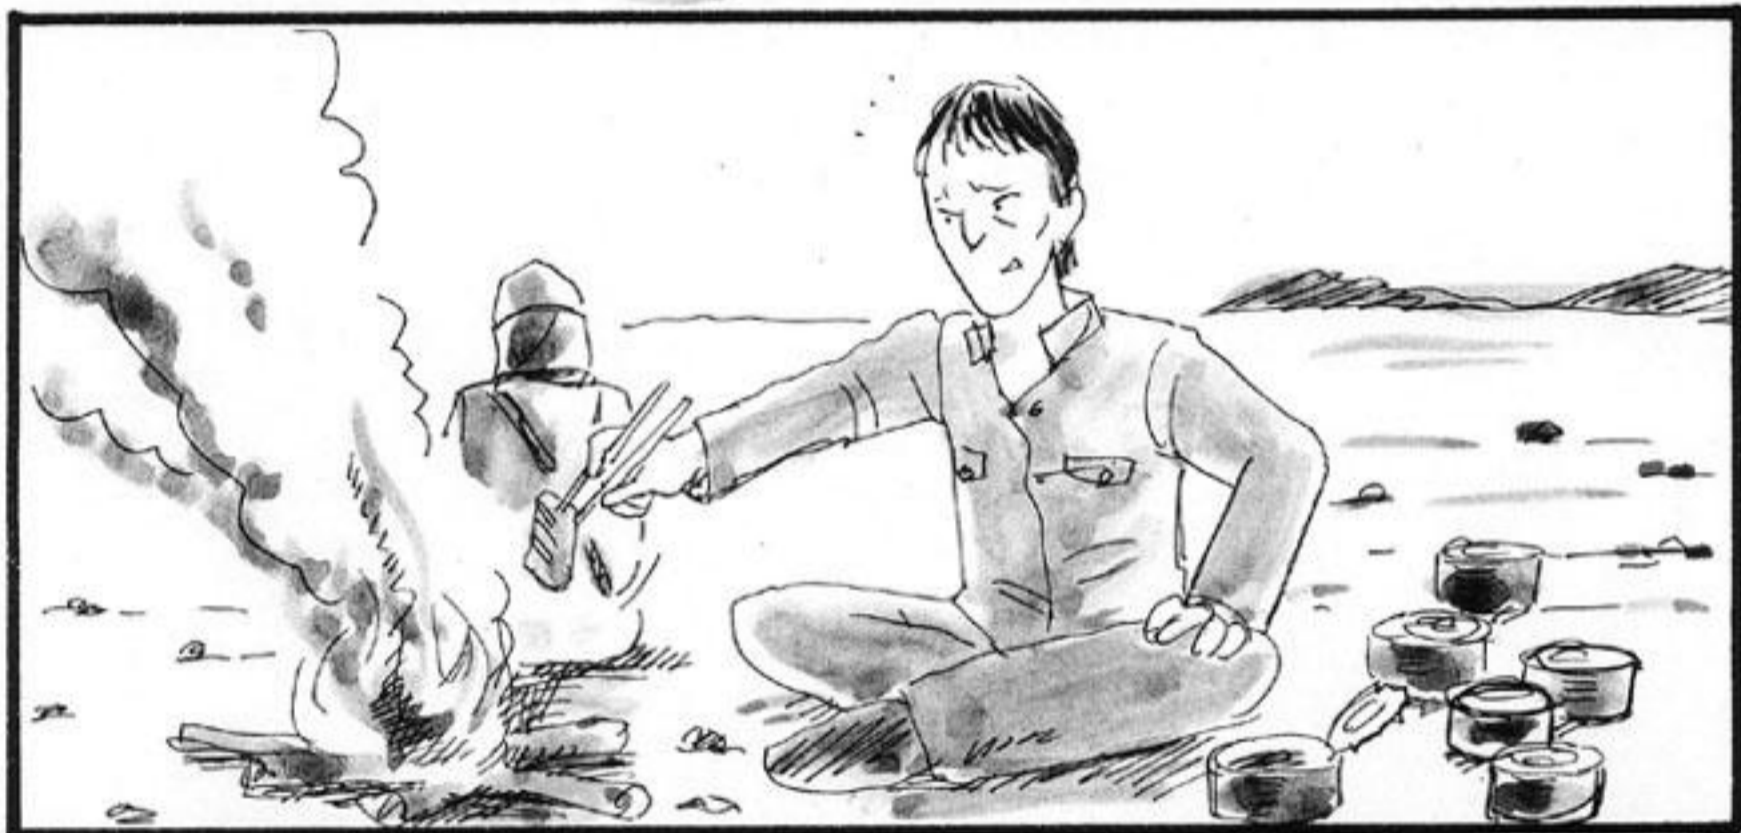

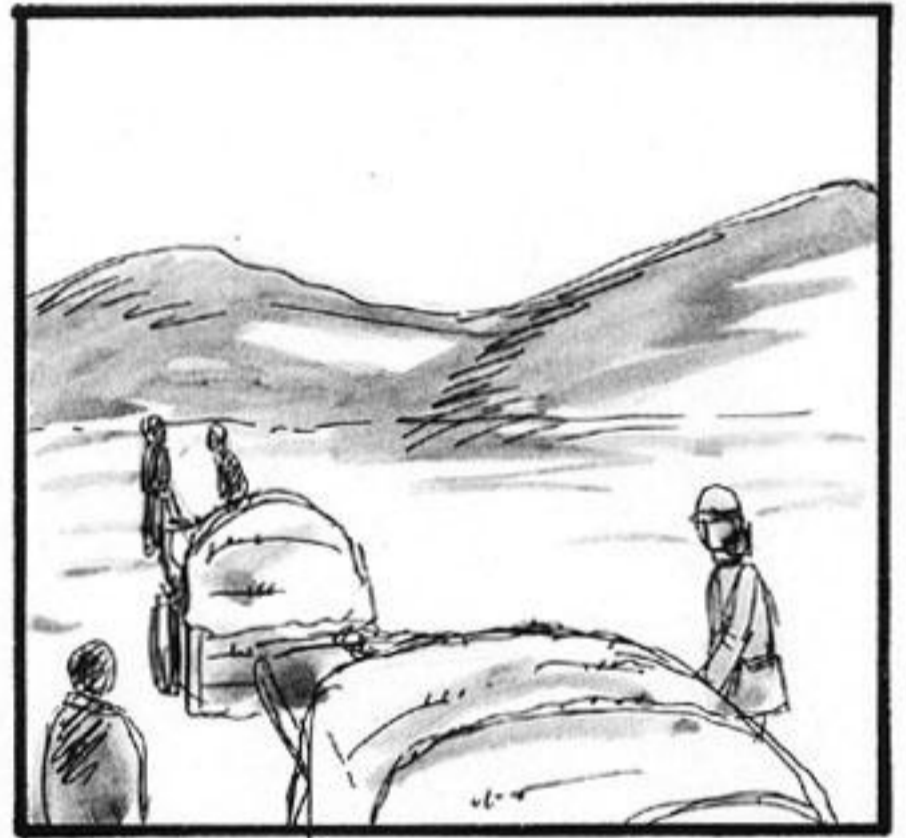

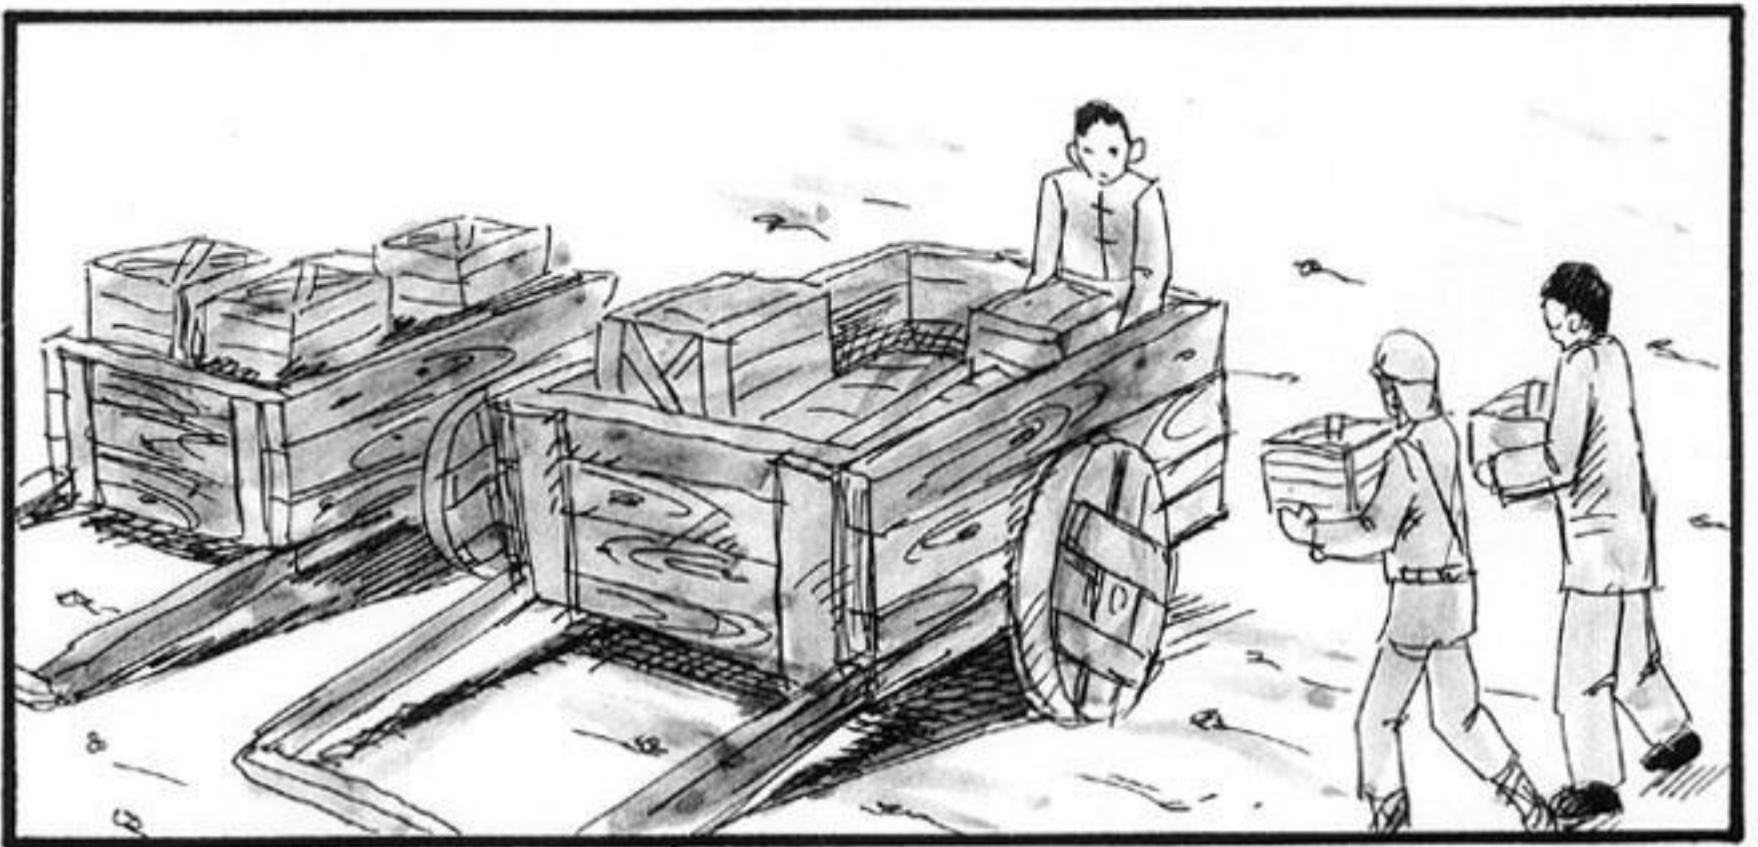

Just trust me, sir. Everythings gonna be all right, sir.

I doubt it. If you get the one, I'll contribute all my canned bully to you.

Hey, if these coolies are plainclothed
ex-chinese soldiers..... ?

You can say that again, sir.
Of course they are ex-
chinese soldiers.

As you know, sir, Chiang Kai-Shek had
called mobilization in July. Drifters are
fighters.

Sir, I have some fear
for our safty.

Let me

..... Relax.
He or they can do
nothing.
In a pinch, I have
this bamboo spear.

I just call a spade a spade, sir.
Not a personnel, sir.
