

Is here the cross section of Chinese elementary school? Terrible. It's an archetype of modern racism. Any good neighbor policy must be laughing stock for chinese children.

The boy we met yesterday,
too ?

Sir, I suppose there are pigs
and chickens near here. Give
me a helper. And this time,
let me equip with a bayonet
if you don't mind, sir.

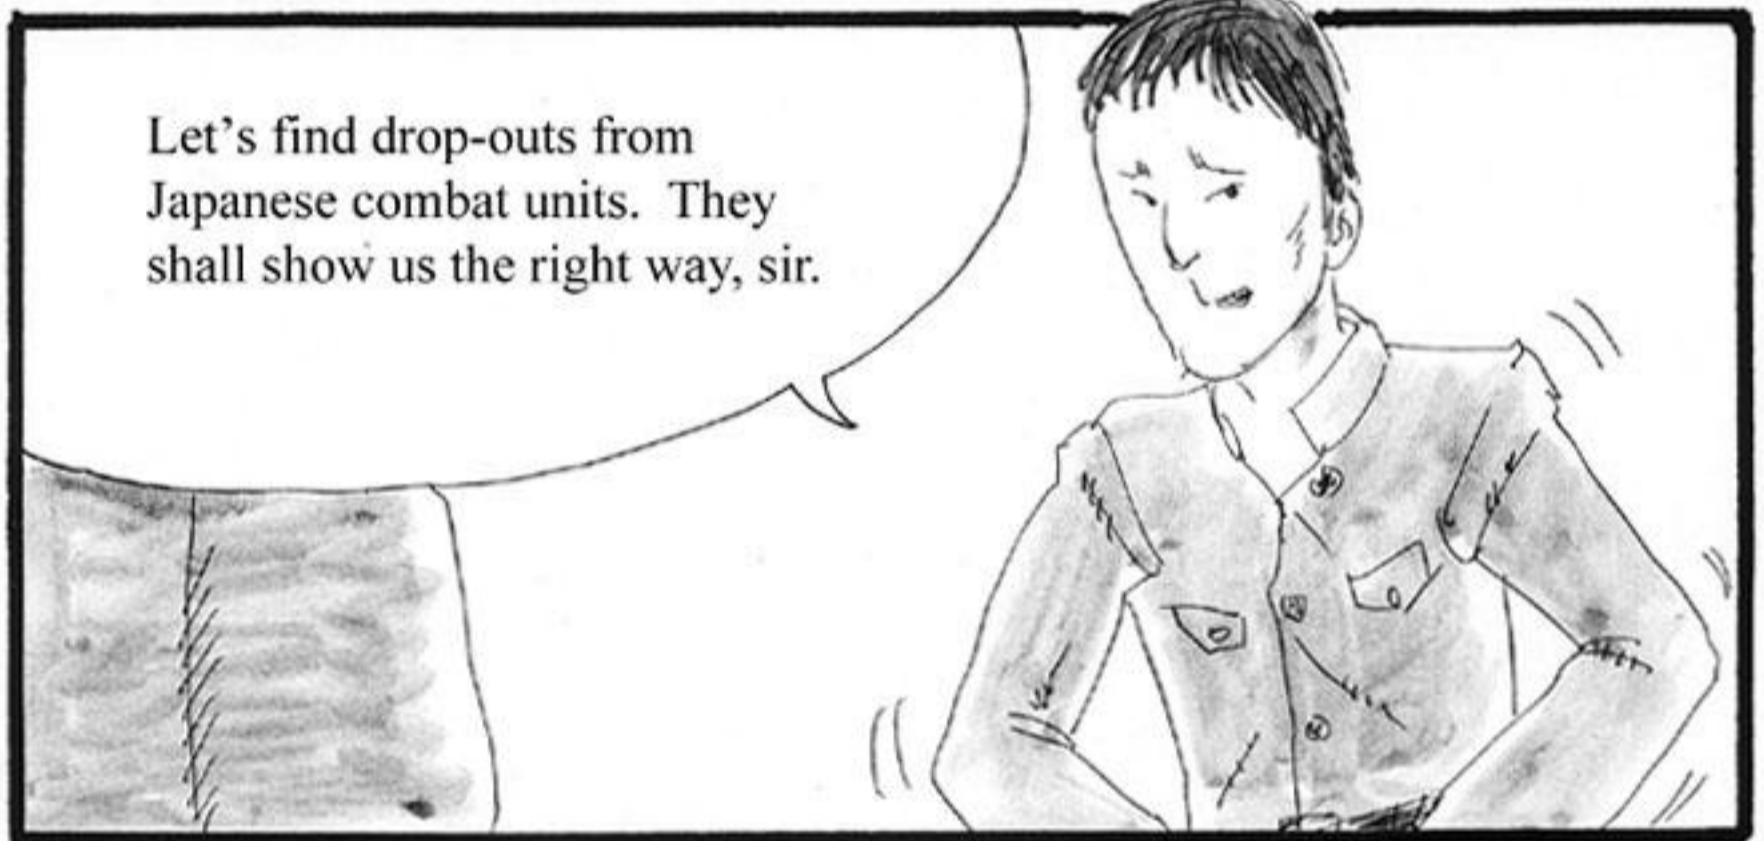

No problem. Lend
him a bayonet with
the belt, will you ?

So, I'll go with him.

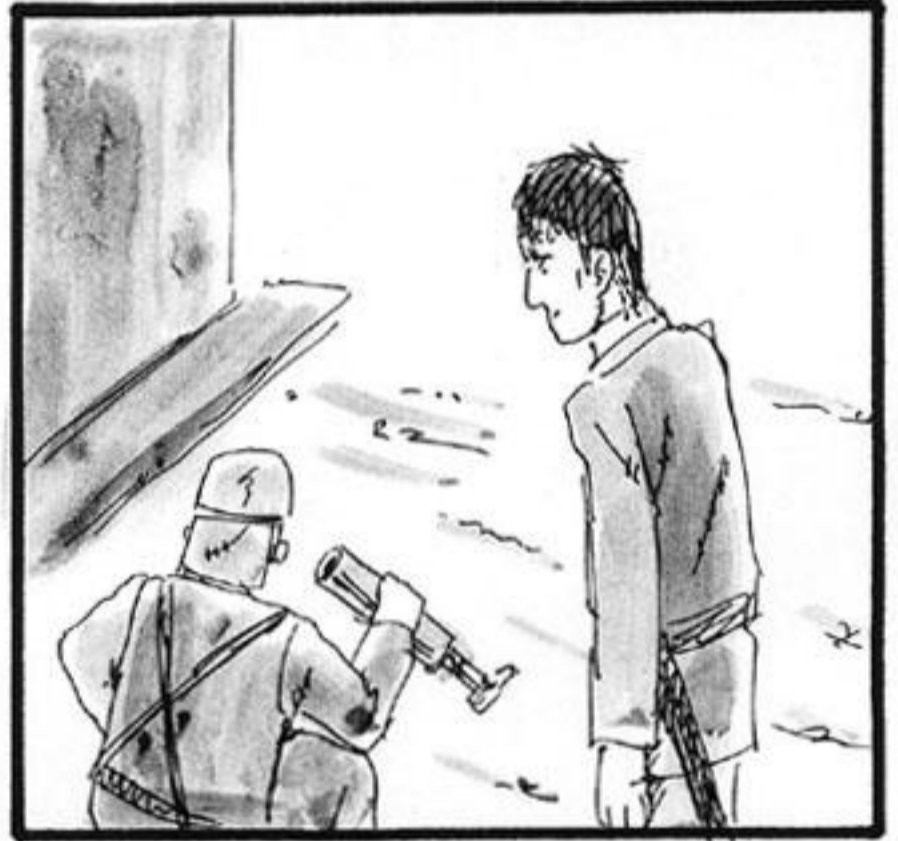

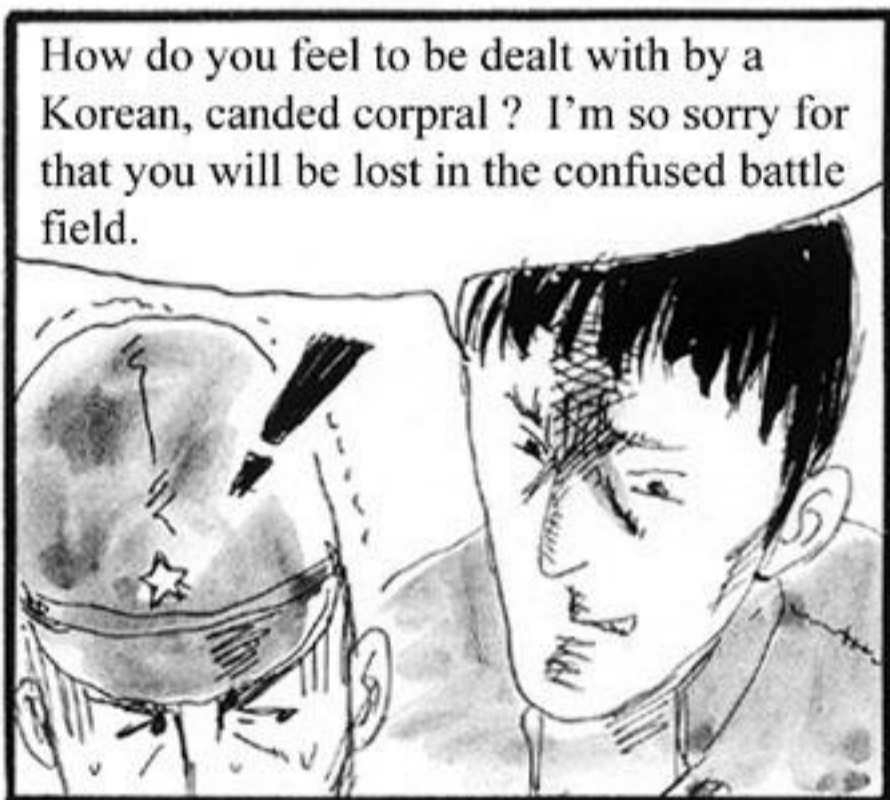

A dropped out soldier
did let a mortar fall ?

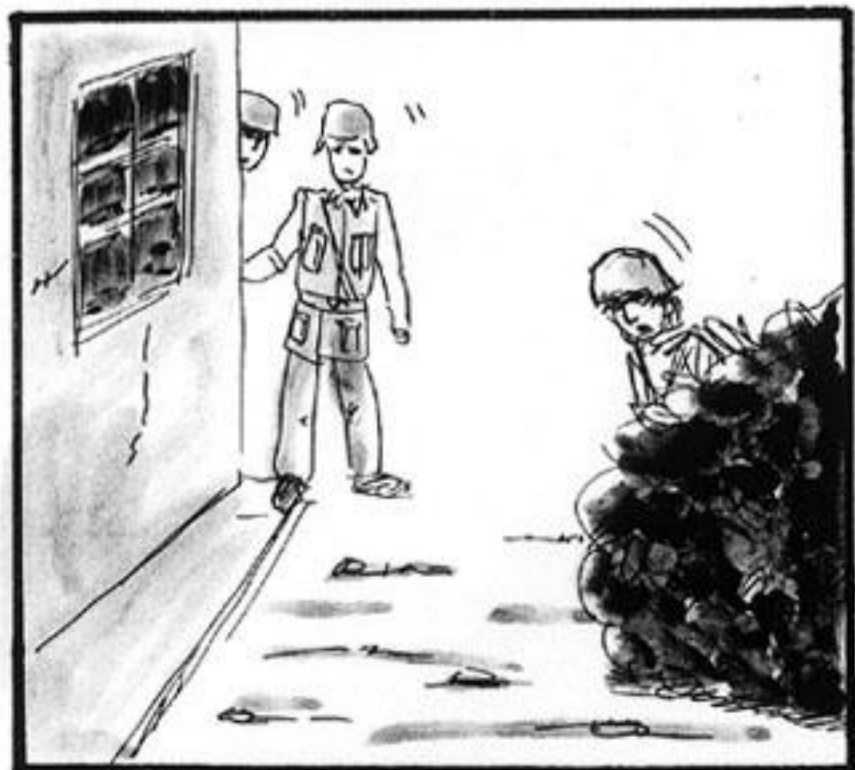

Forewarned is forearmed.

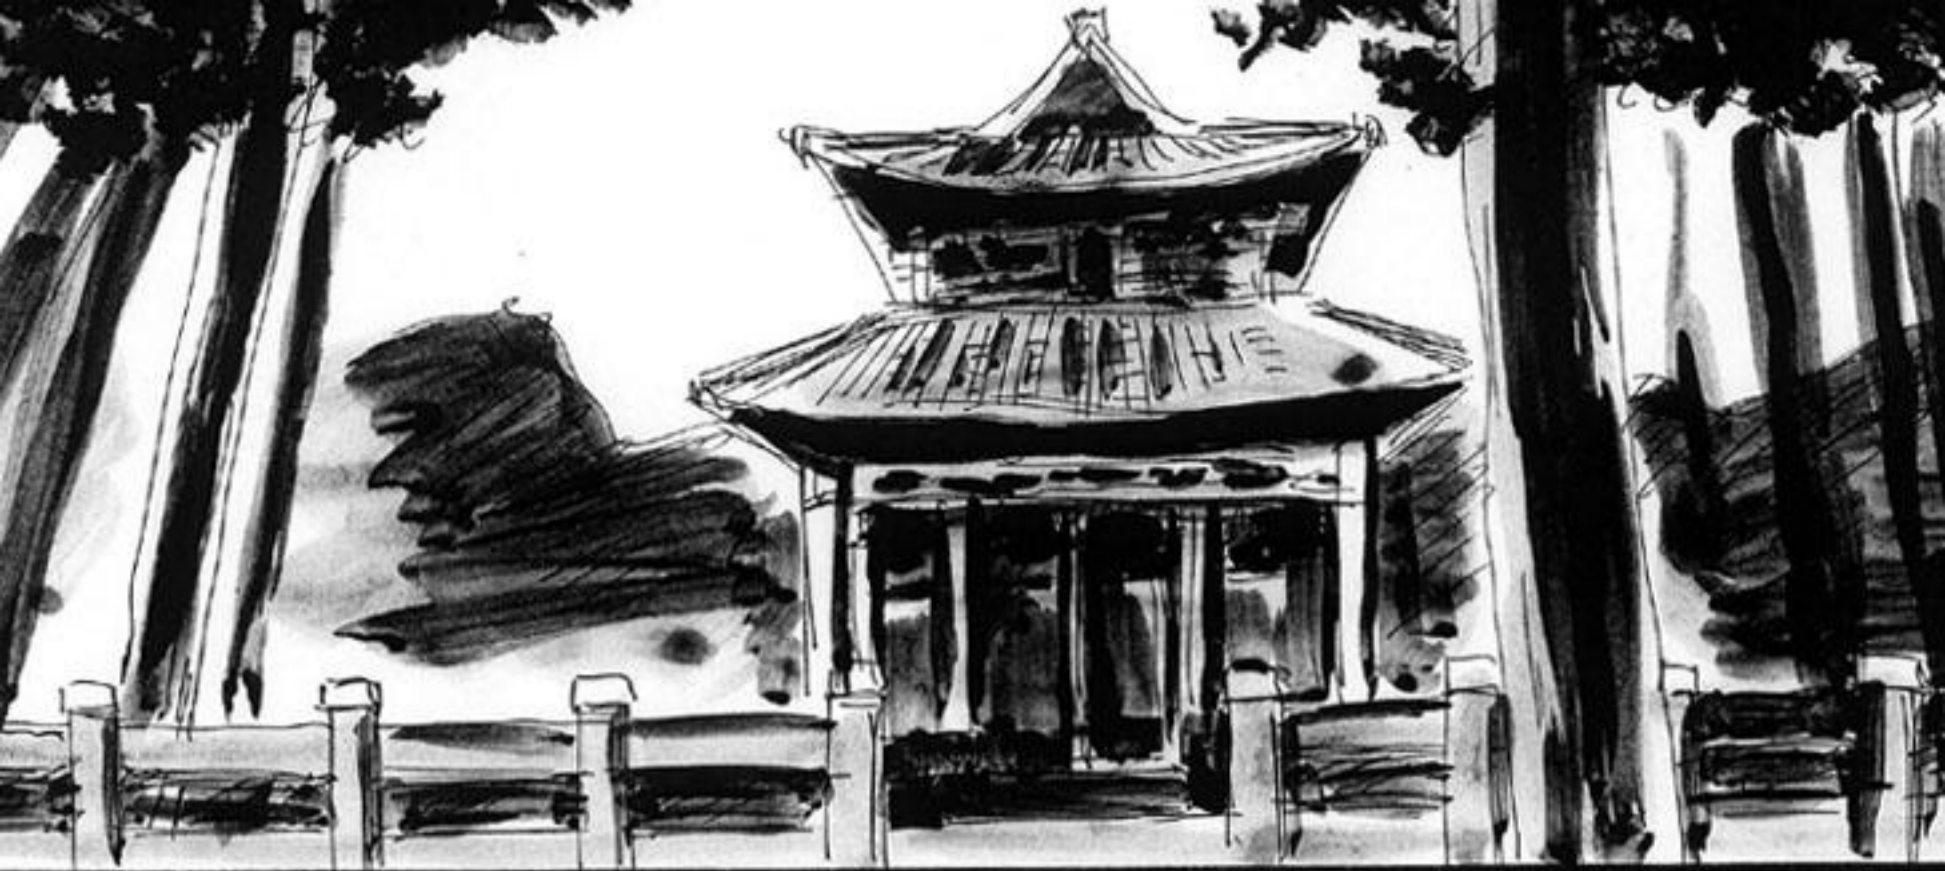

You got it, poor porter? I'll get off scot-free.

Hey, I know you hiding there. I'm not Japanese. Come! Appear!

Give your hands, body. From now on, I'm your squad leader, all right? Now, let's beat it!

Emperor's Army !
Requisition !
No waivers !
