Why could Japs meet the speed of our mobilization ?

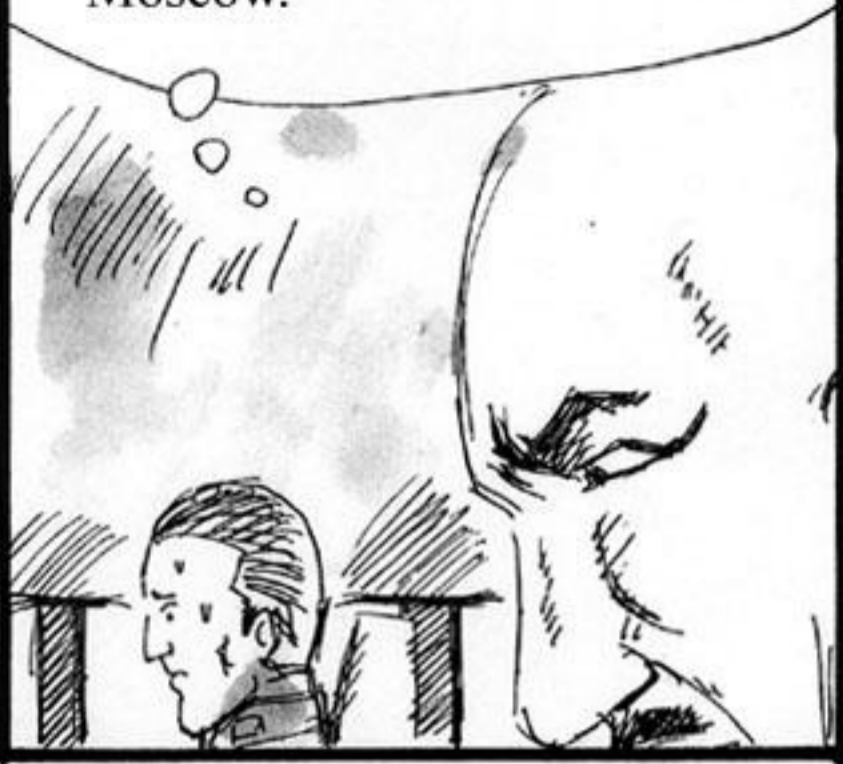

Shanghai would be a sting.
But the salient has survived.

Germans know nothing about the contributing factors. Metz, Sedan, and Paris were the landlocked cities. Sevastopol, Lushun, and Shanghai is littoral cities. They are hardly identical.

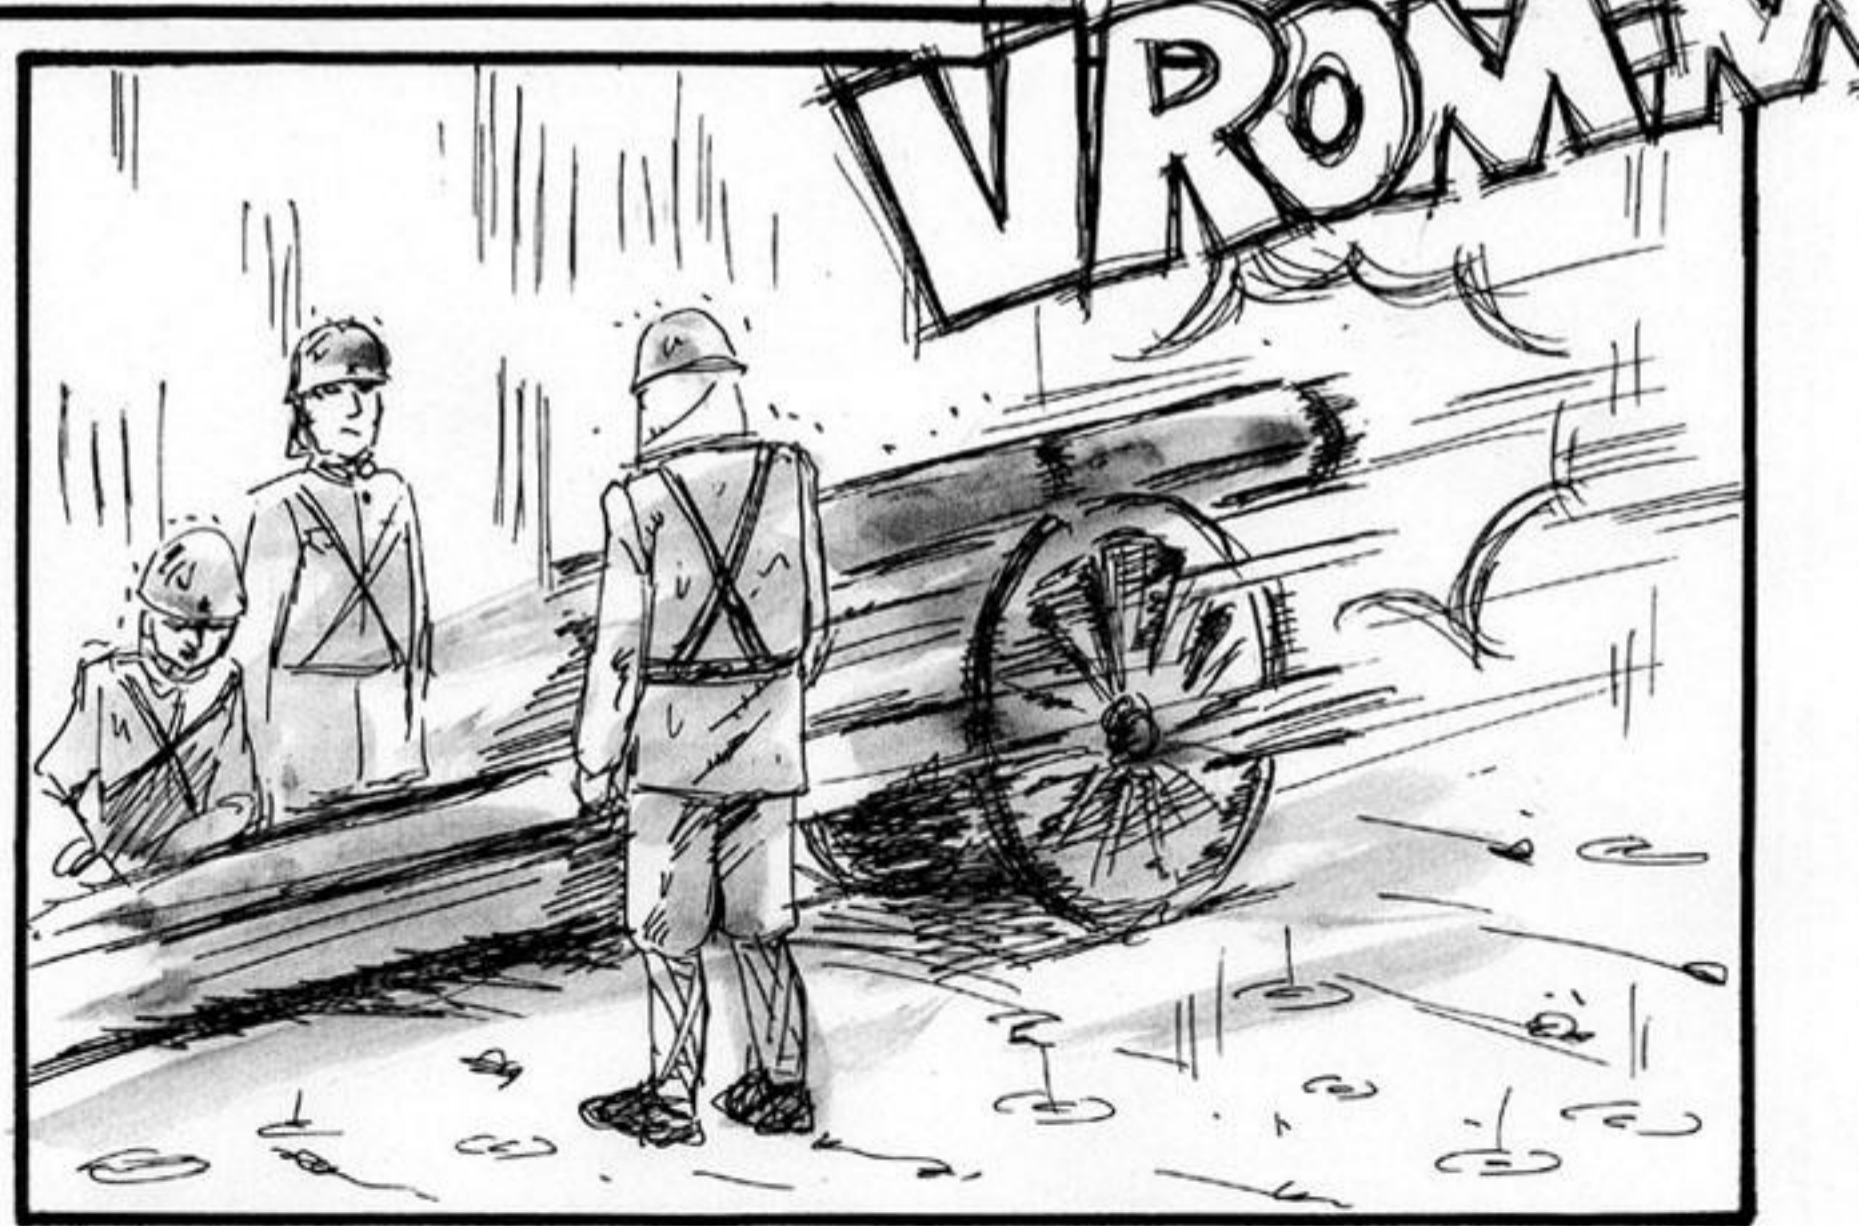

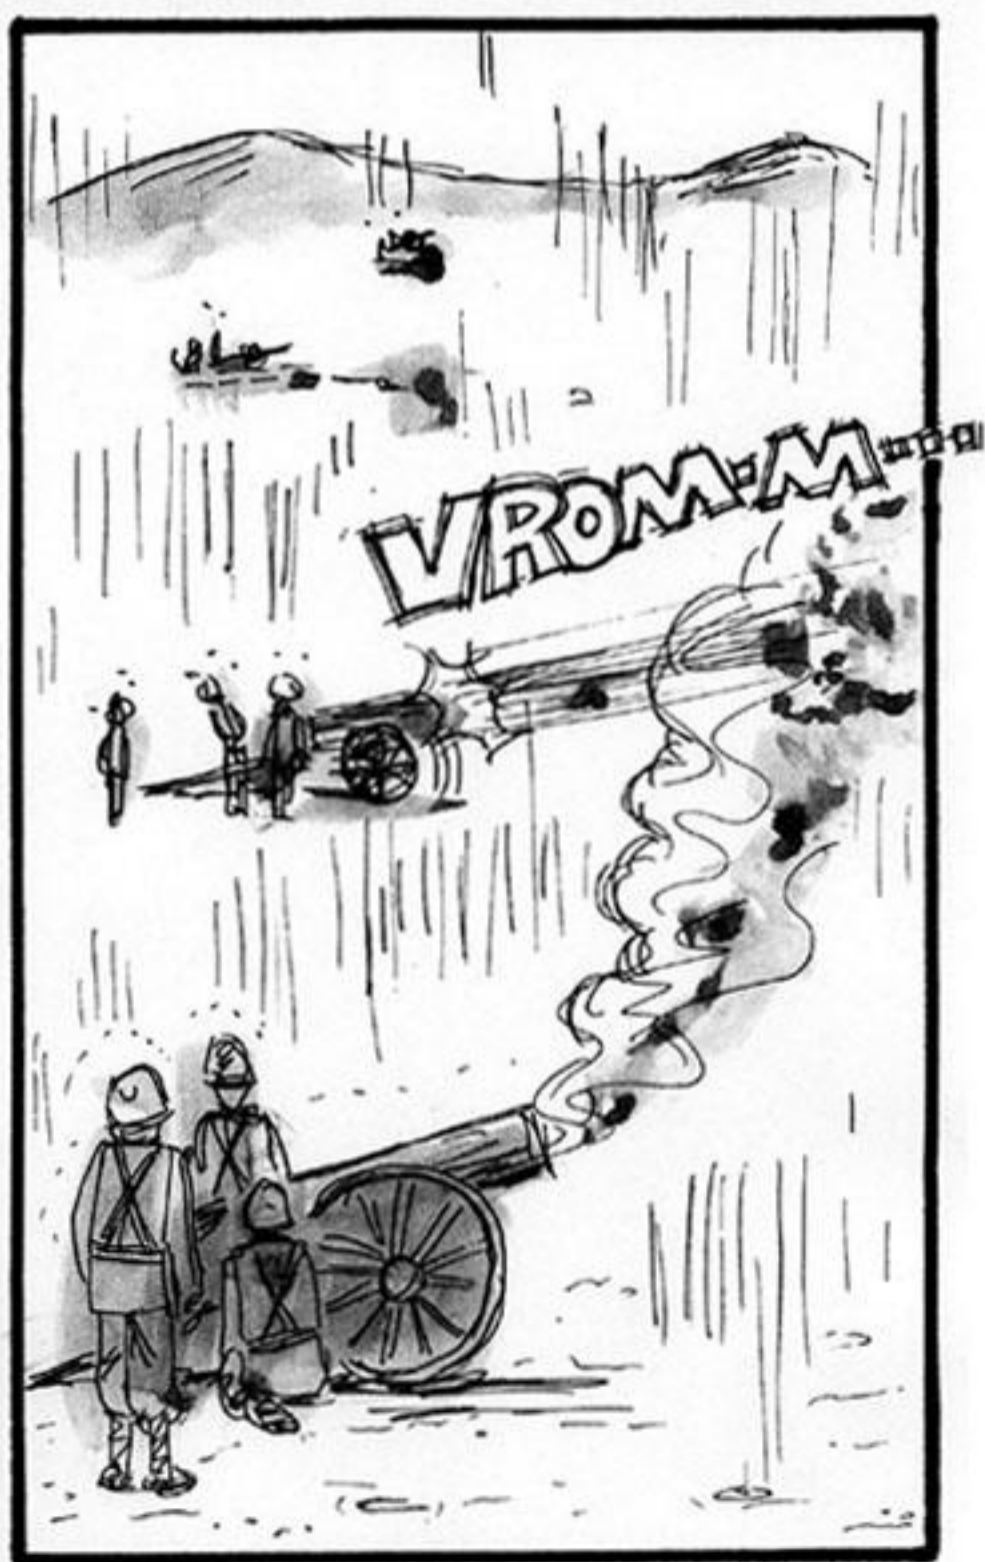

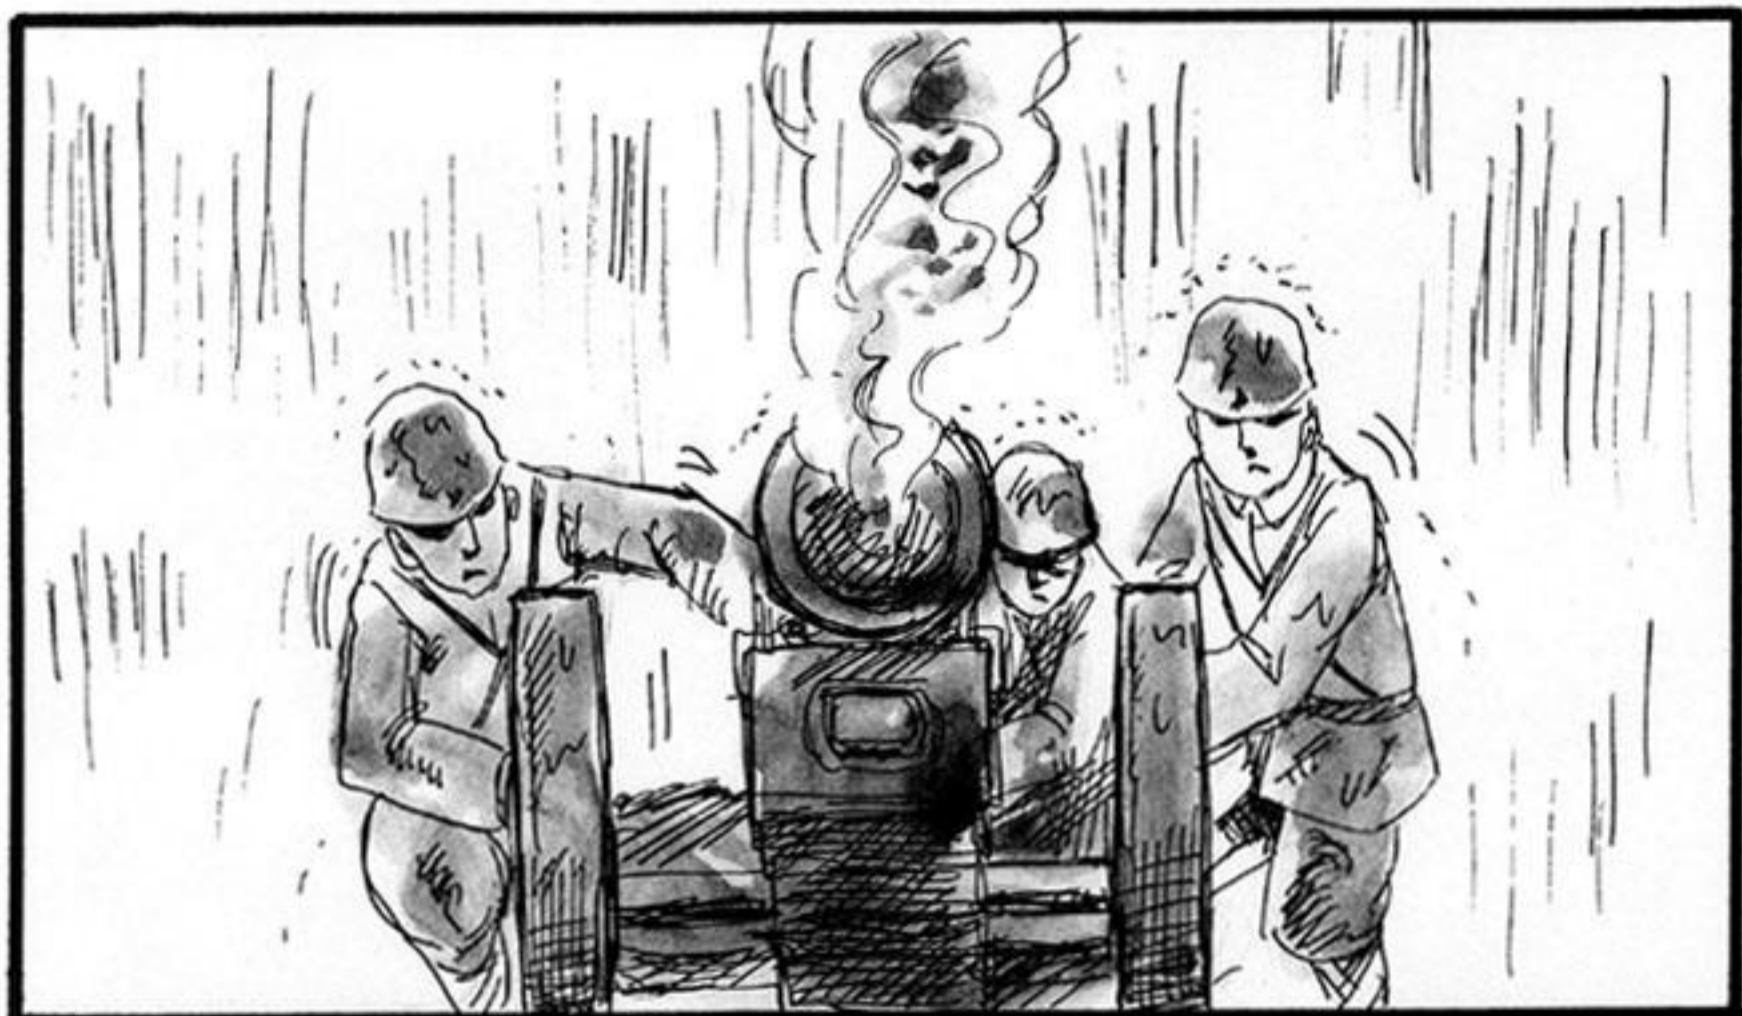

Now I will let Chongqing be
Bordeaux, and let Nanking be
Moscow.

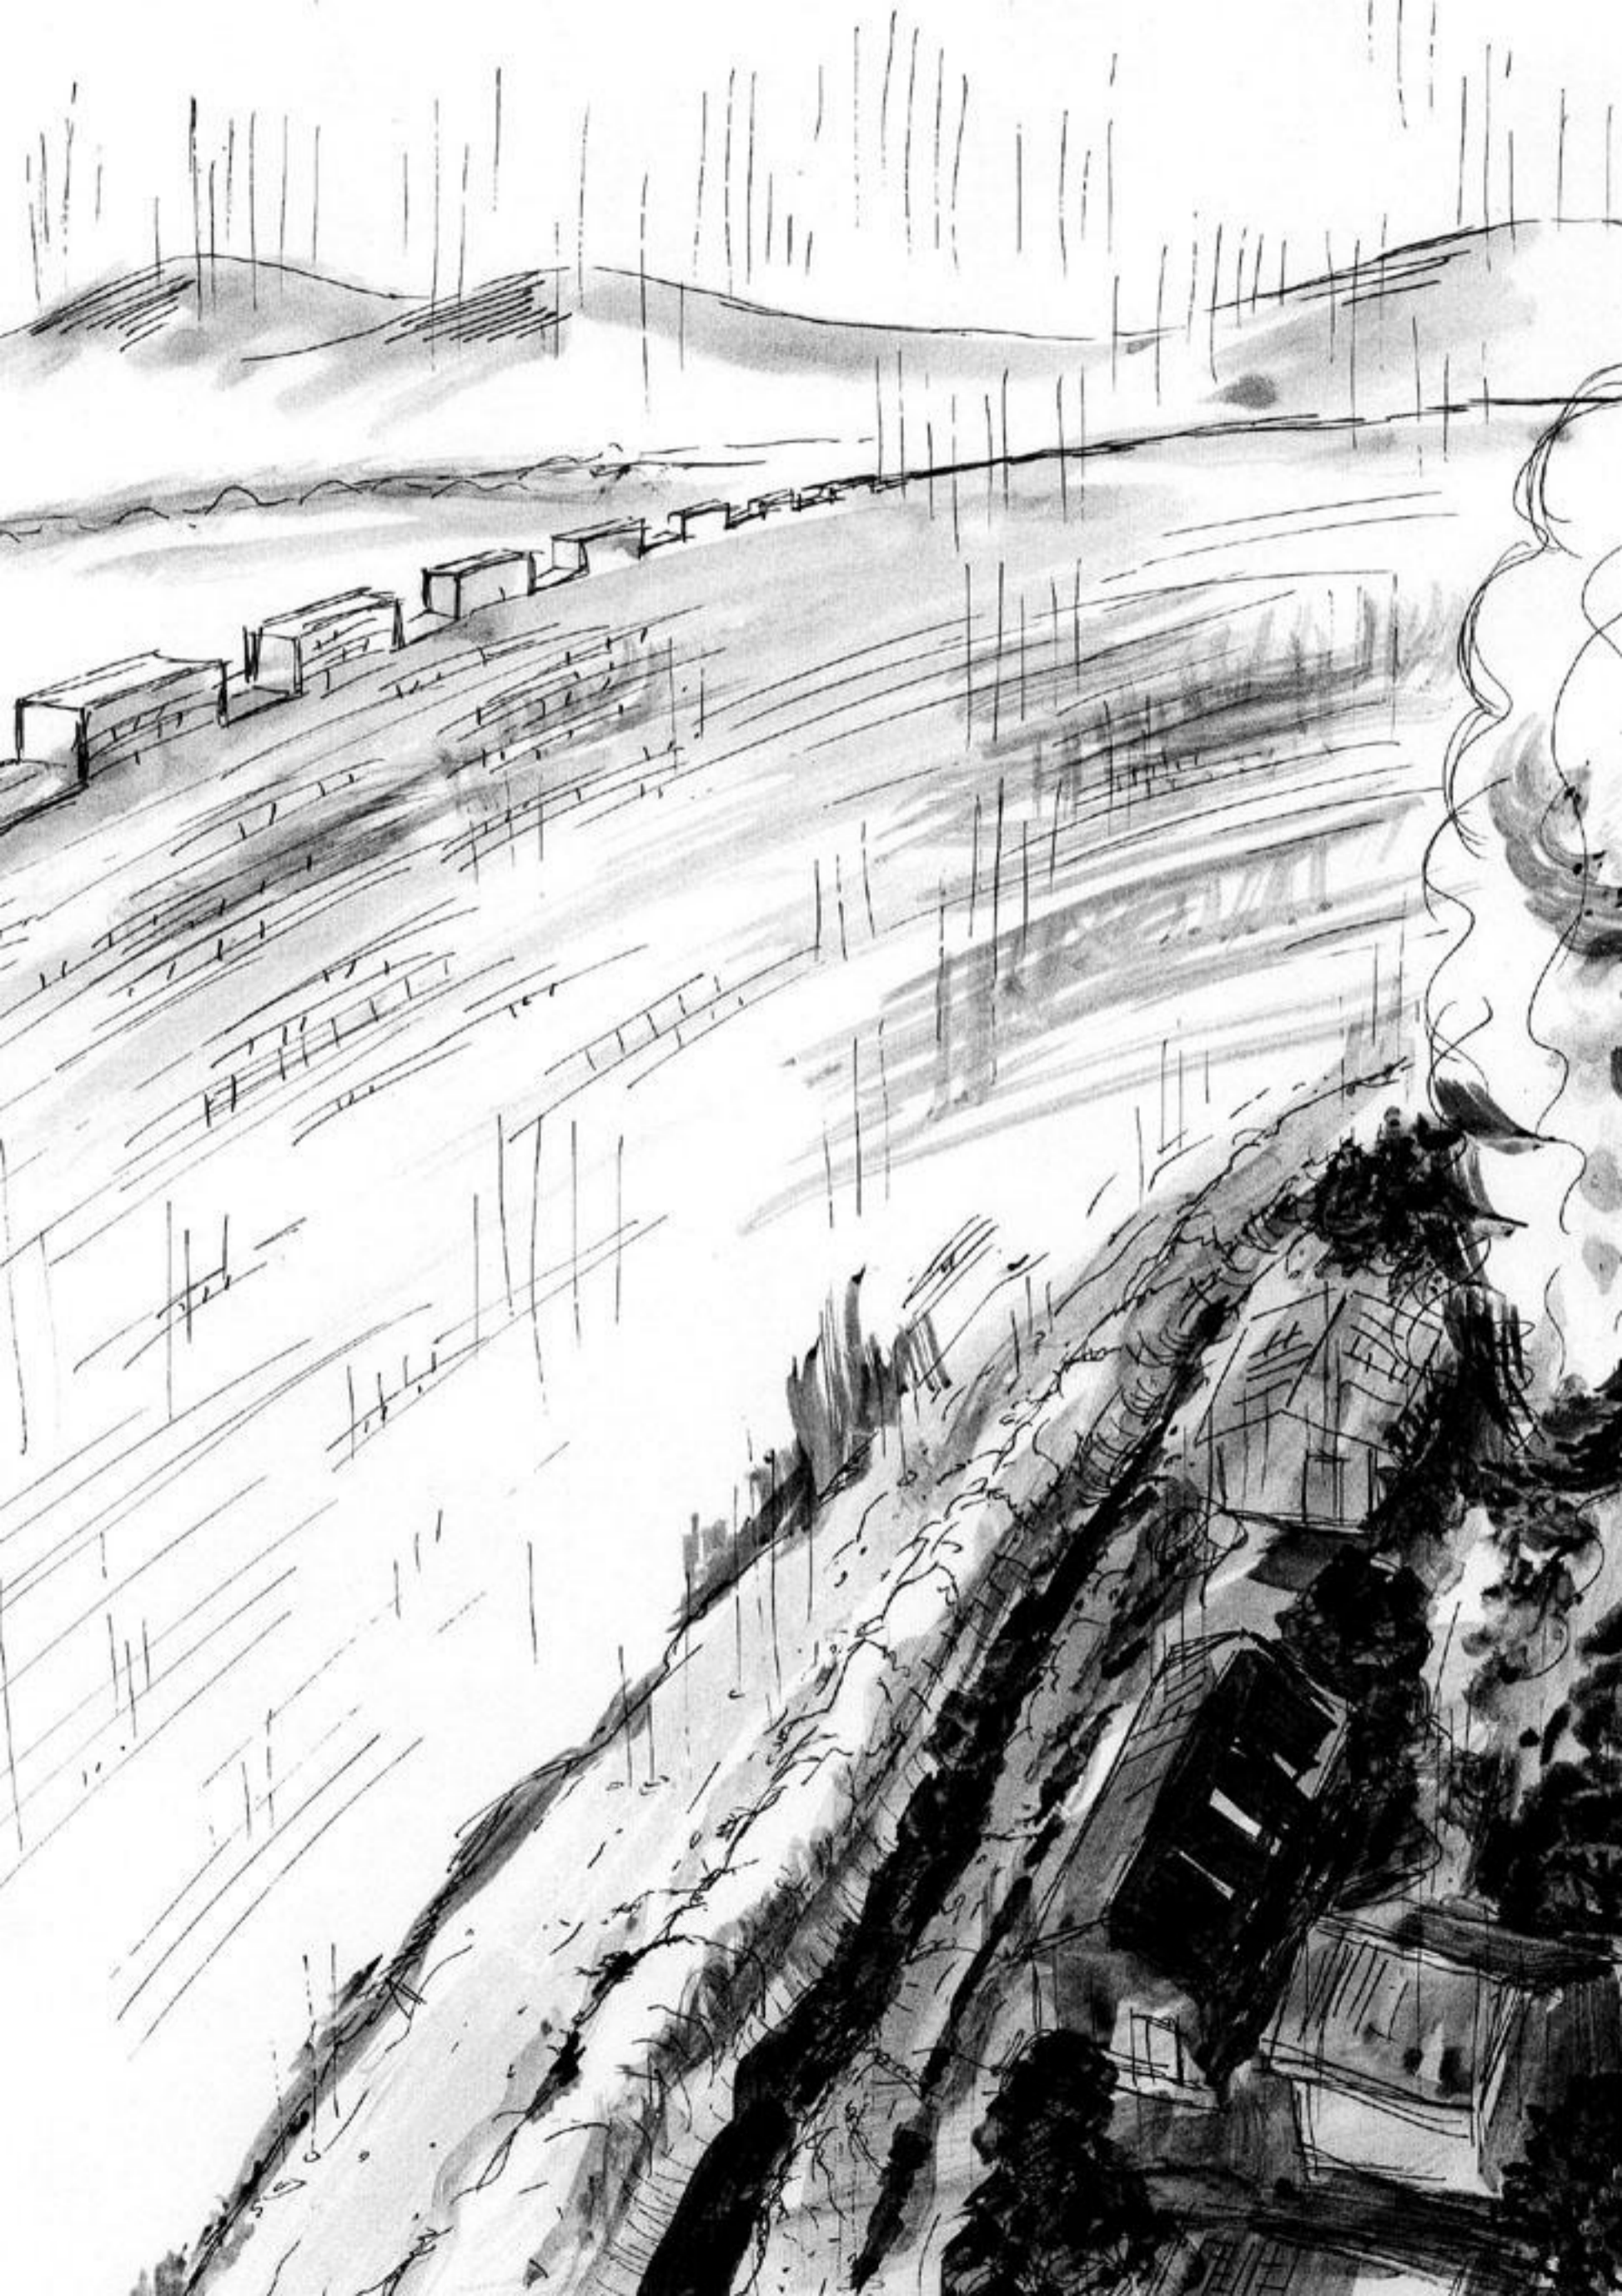

The Chinese patrimony is in
its restorative powers.

How come you request me every impossible things ? My 149mm howitzers are decrepit and we are waiting for supplies !

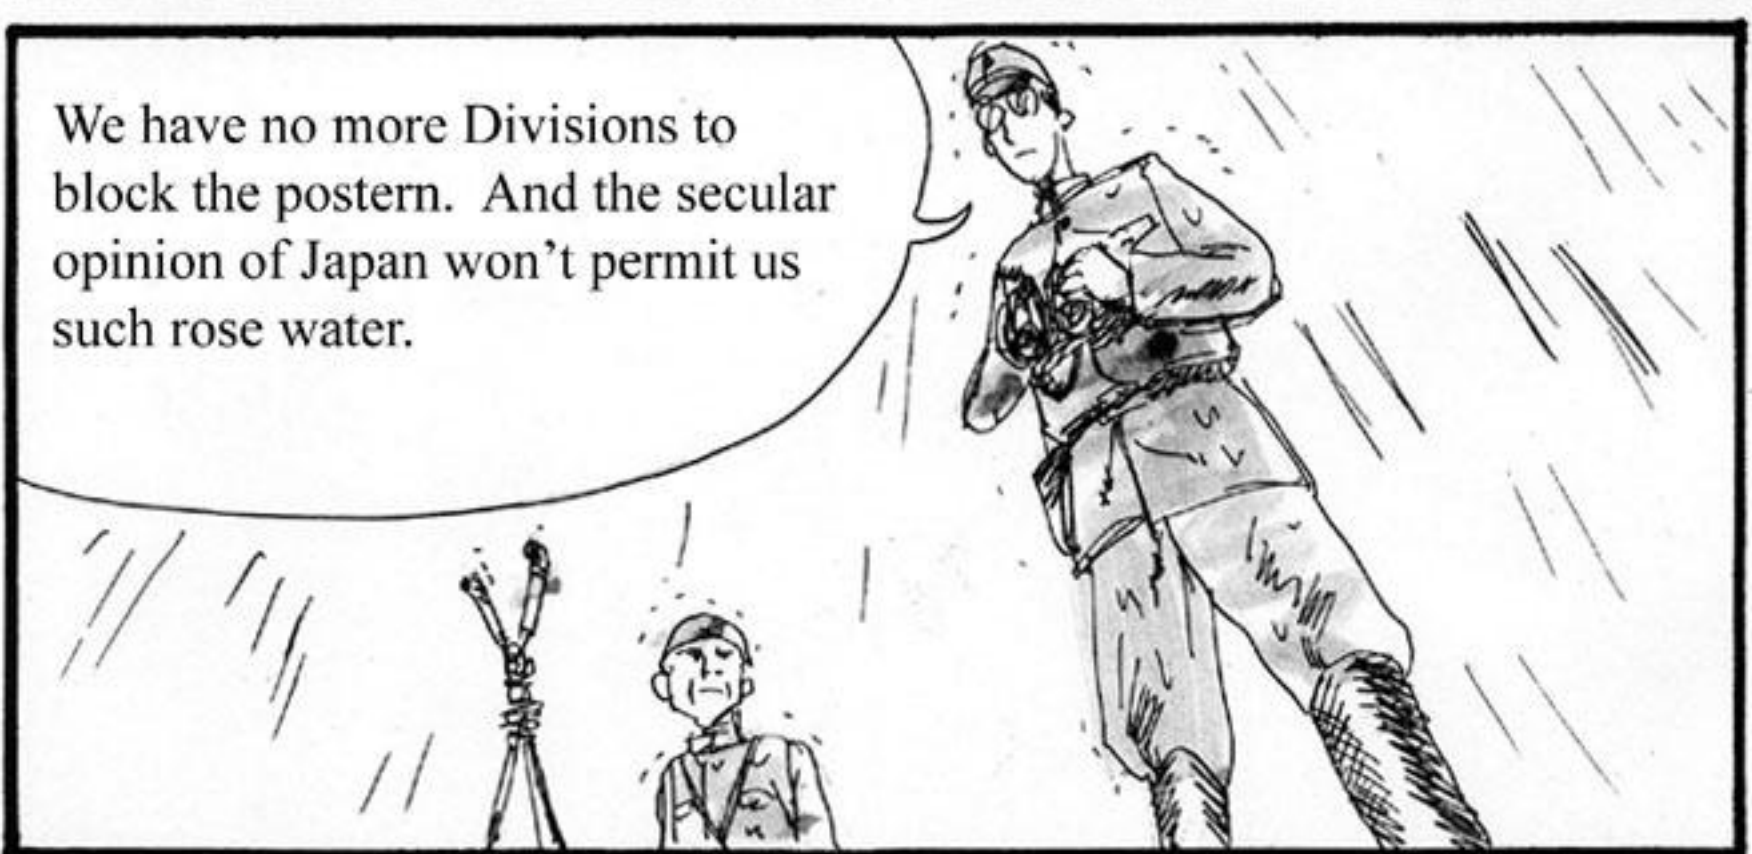

Why don't you try the old
starvation tactics for the Chinese
Capital ?

We have no more Divisions to
block the postern. And the secular
opinion of Japan won't permit us
such rose water.

You have little logic. The fact is that
you the Army staffs just want to do
something interesting. Something fun.
