

All the man inside the castle wall is a member of Capital Guard ! And I raise amazons as an all-volunteer force. Nobody must be oblivious of fly !

I'm gonna die with you, citizens !

No ! I'm a sick patient and I don't want be executed as an unlawful man of arms !

Shut up, you filthy spy !
Only death for a treason !

漢奸

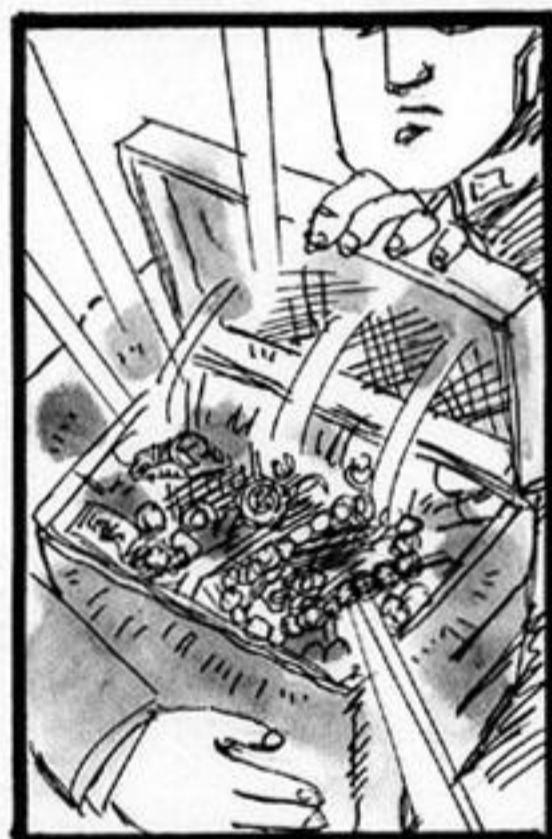

We defend Nanking to the last !
All citizen must kill Japs !

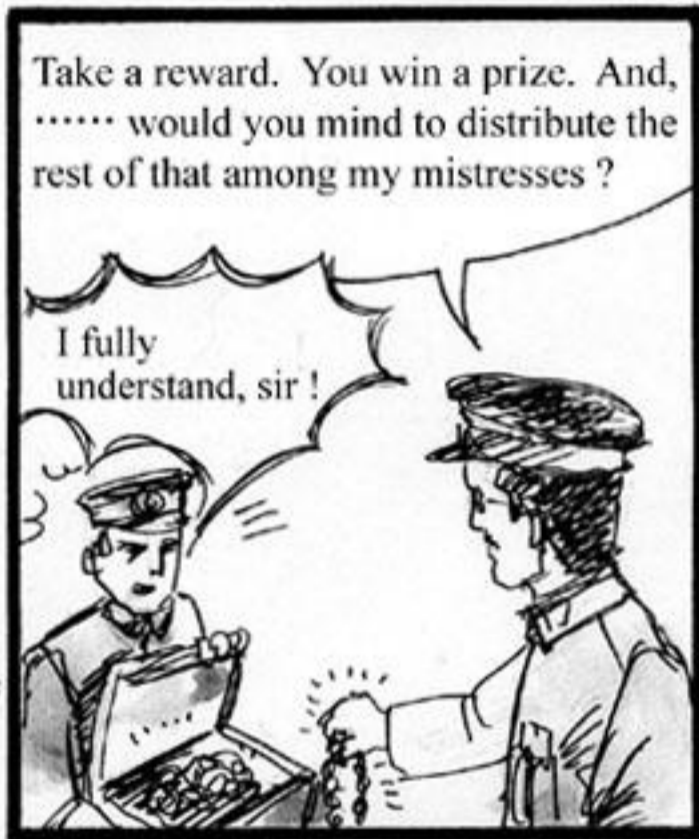

Sir, We have been stored some seized articles here ! They are trying to abandon this city, sir.

RRAM!

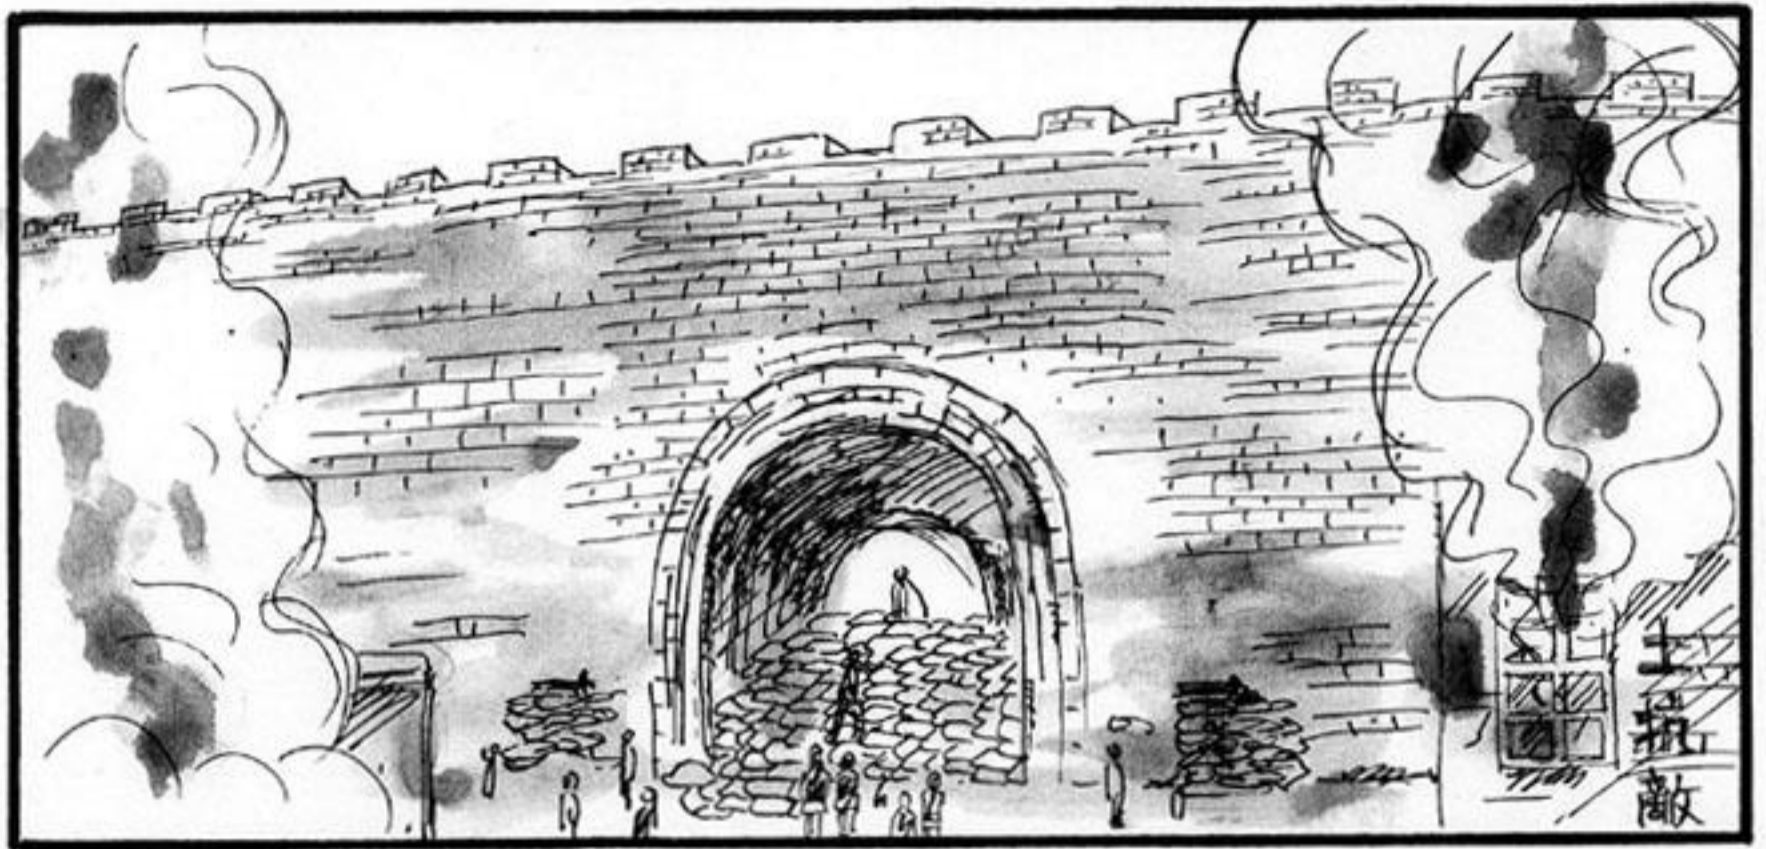

Take a reward. You win a prize. And, would you mind to distribute the rest of that among my mistresses ?

I fully understand, sir !

I will inspect three workings of blockading untill sunset. Every gates shall have to be cemented.

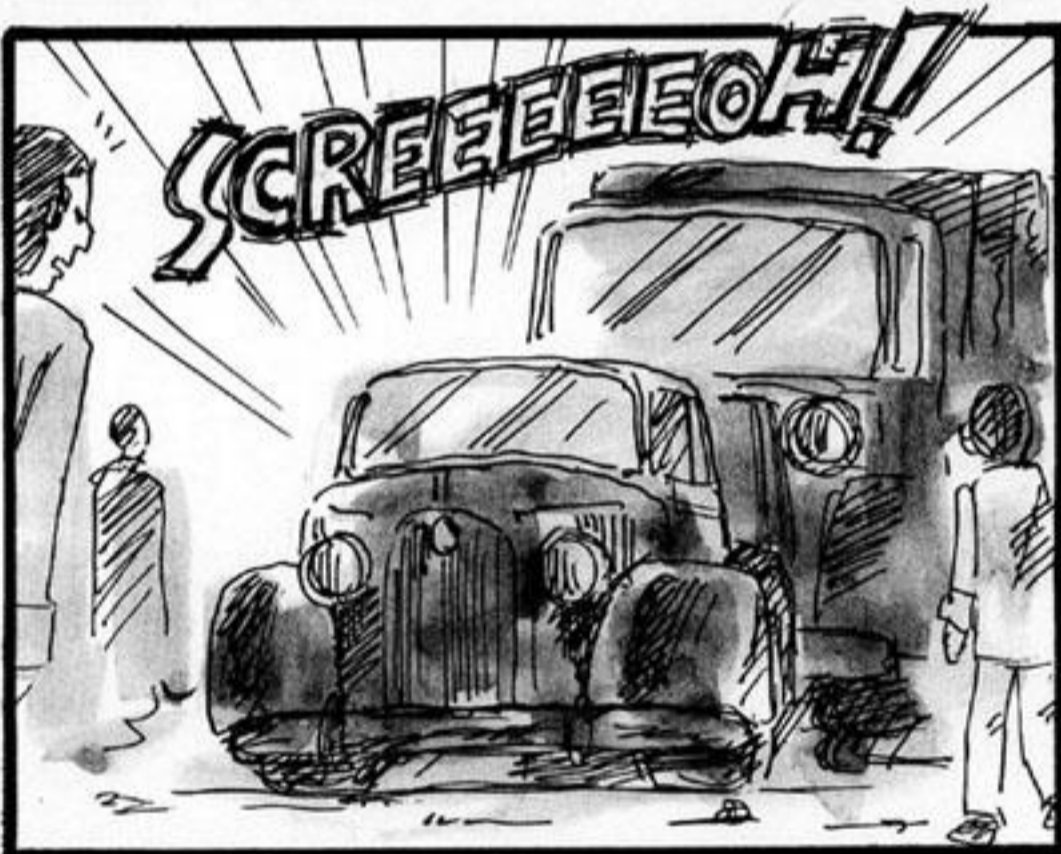

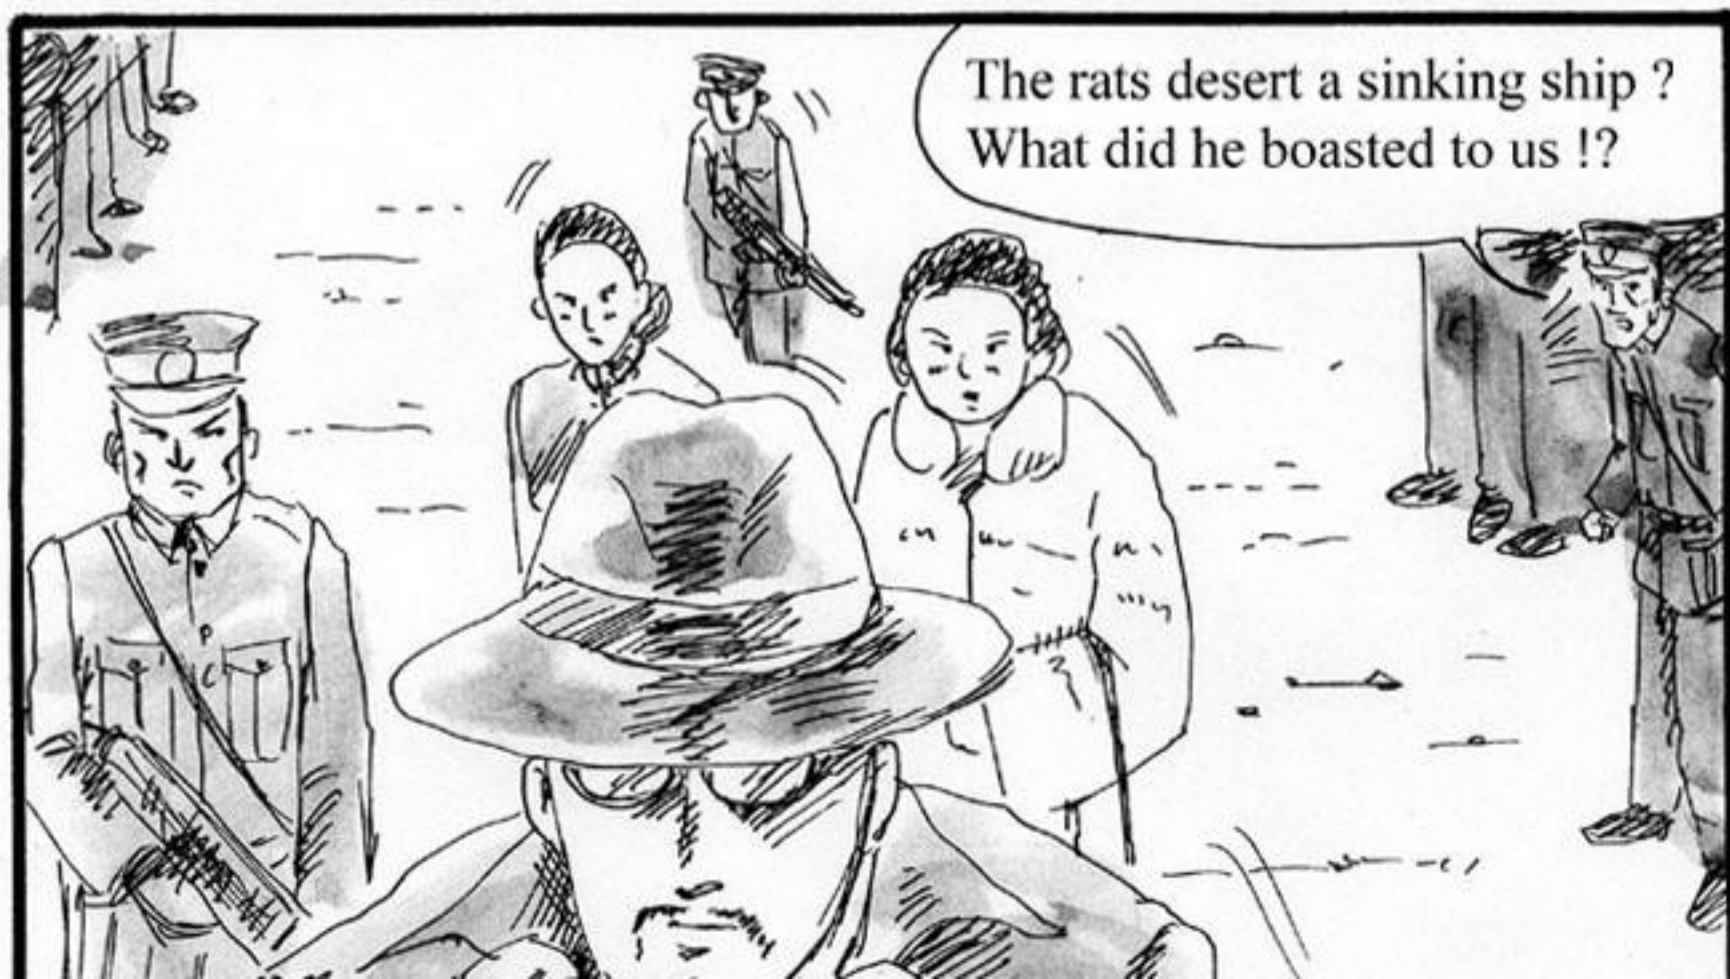

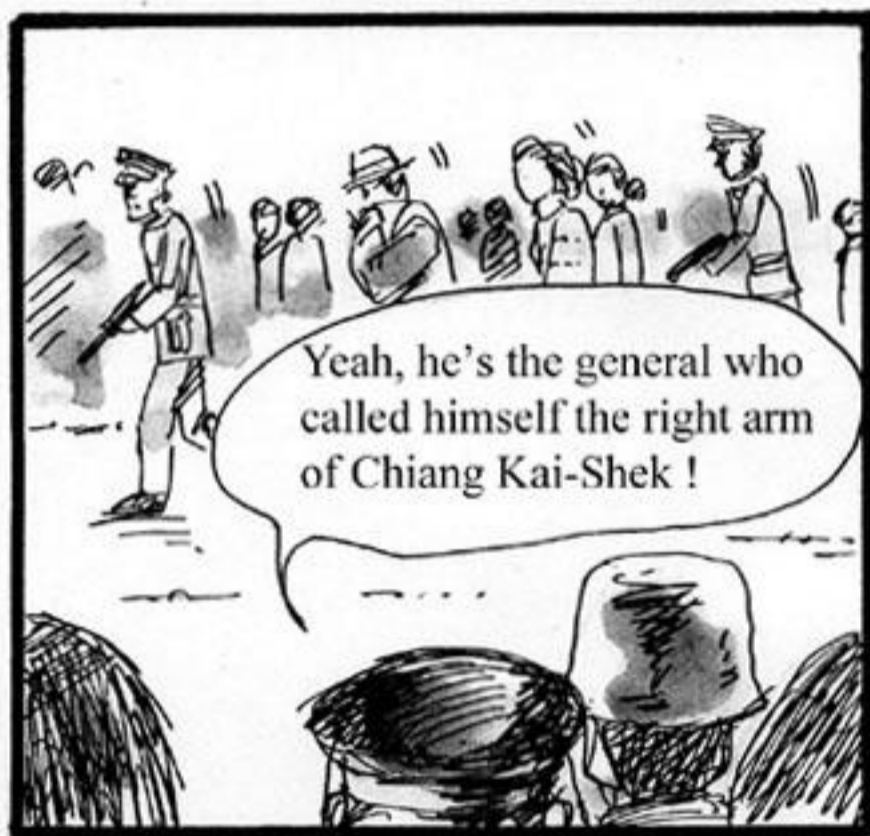

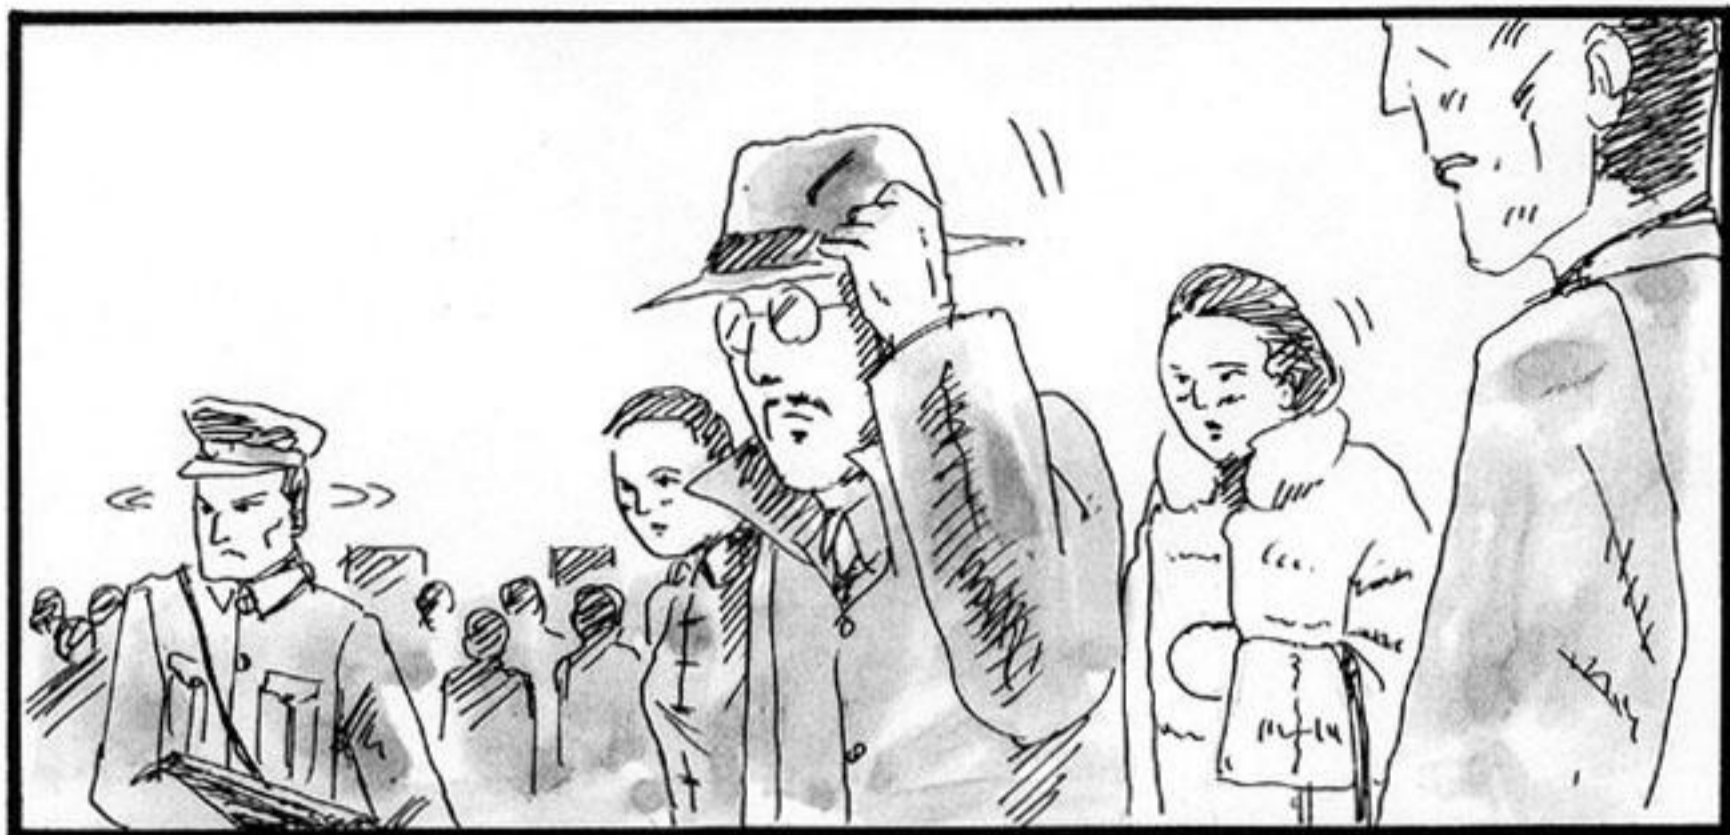

Suspend fatigue ! It is blackout tonight as usual. Renew construction tomorrow morning. Thank you all.

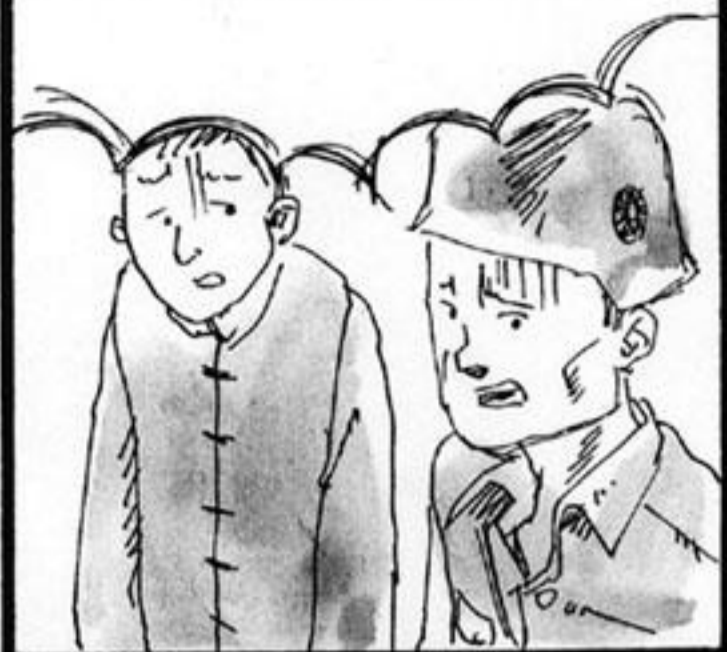

A patrol party !
Get out of the way !

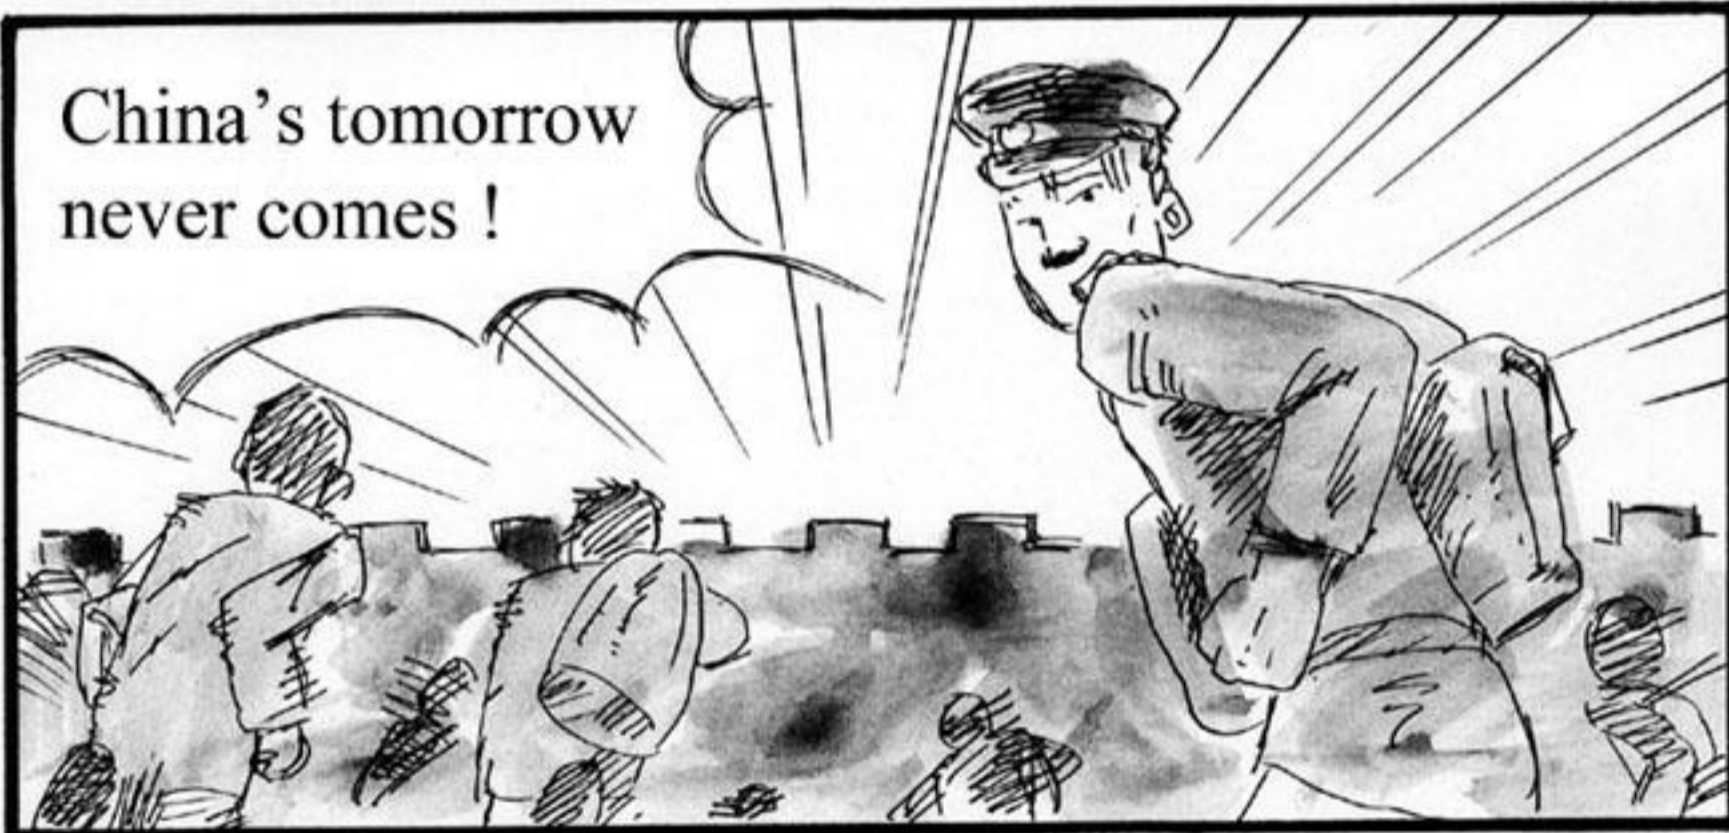

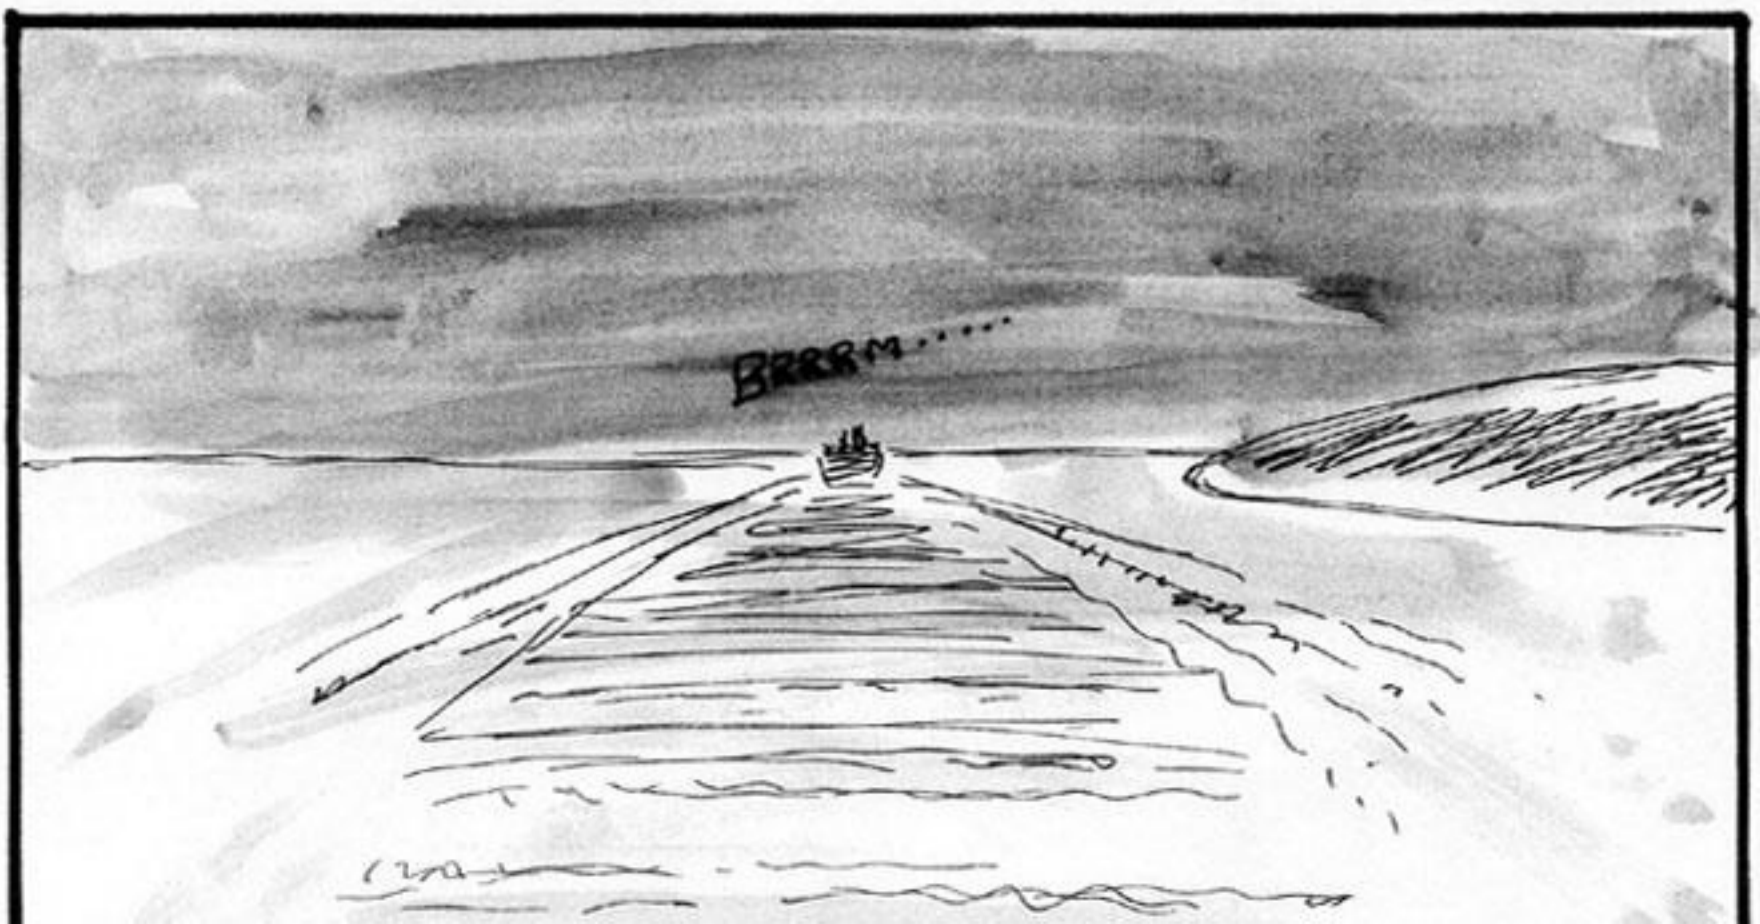

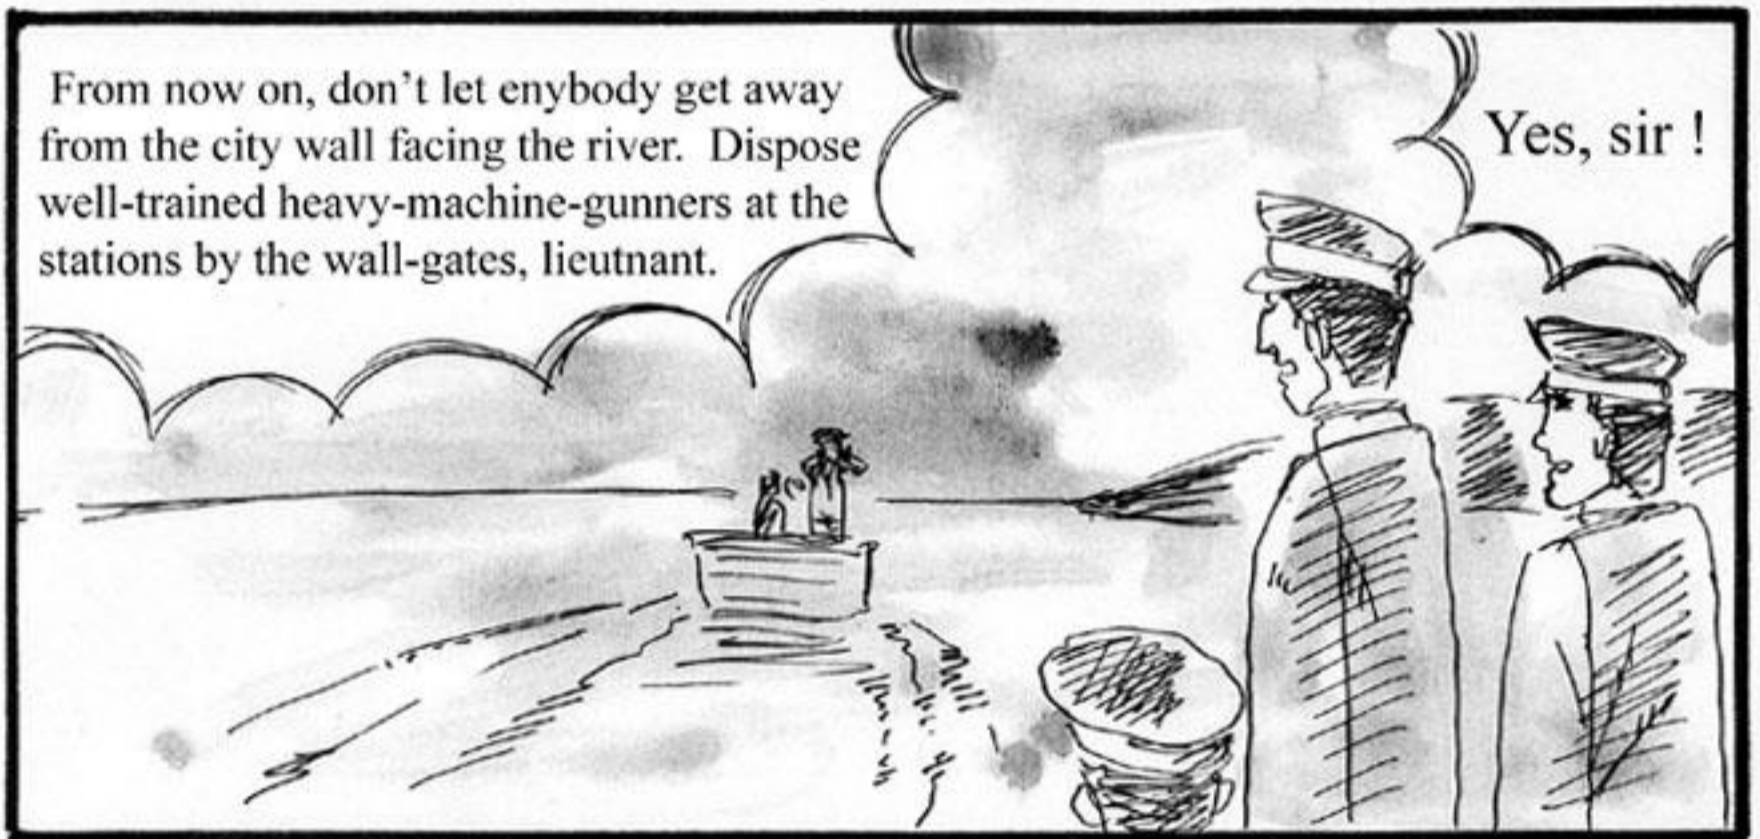

Be nobody's fool !

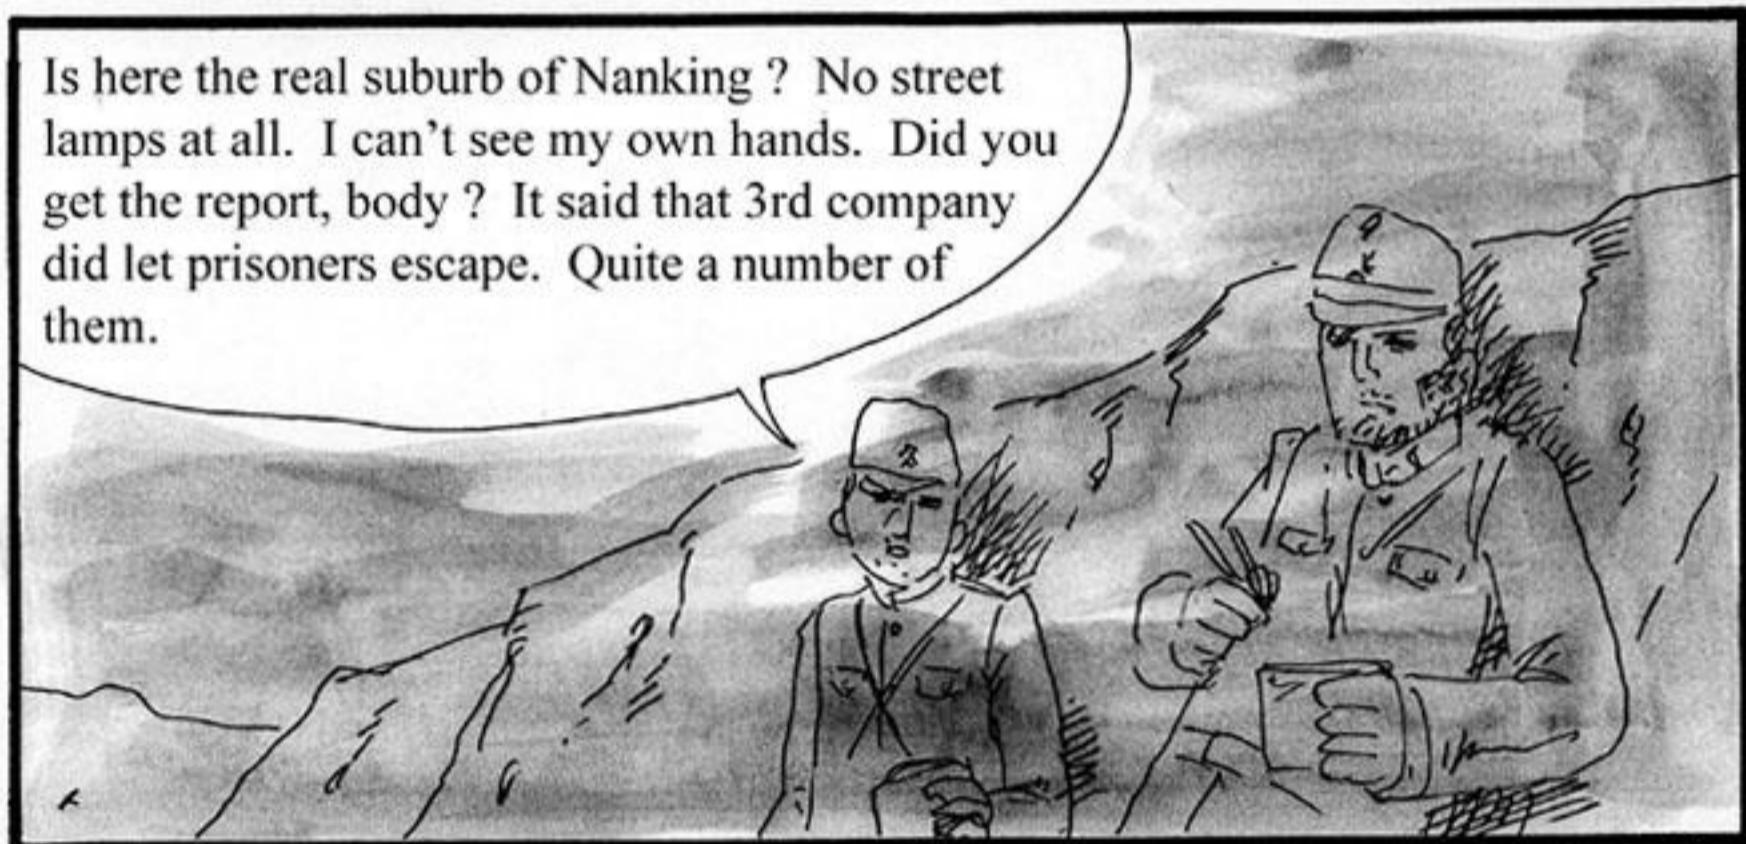

China's tomorrow
never comes !

Is here the real suburb of Nanking ? No street lamps at all. I can't see my own hands. Did you get the report, body ? It said that 3rd company did let prisoners escape. Quite a number of them.

The watch might burst two or three warning shot with his light machine gun. That would be a real shot in the dark and shark repellent.
